

# SINCLAIR O-RING ROD GUIDES FOR 22 CALIBER TO 6MM - SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM, 0.650" DIAMETER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

Our Centerfire Cleaning Rod Guides are designed to insert into your action in place of your bolt or bolt carrier. They feature a snout with a silicone "O"-ring that inserts into your chamber, sealing the barrel off from the receiver. The "O"-ring prevents solvents from leaking back into the action area and gumming up the trigger assembly. We currently stock "O"-ring rod guides for over 1000 different action/cartridge combinations. Each rod guide is machined to fit specific actions and cartridge families from .17 up to .338 caliber. Unfortunately some rifle chamberings do not lend themselves to an "O"-ring style rod guide, for these cartridges we recommend one of our Adjustable Cone Style Rod Guides. In an effort to better serve the cleaning needs of our customers, we have upgraded our Sinclair "O"-ring rod guides to include integral solvent ports. This upgrade is now included with every centerfire bolt action rod guide and nearly all AR style rod guides. If you prefer a rod guide without an integral solvent port, please contact us via e-mail or phone and we will happily provide you with a rod guide to your liking. These rod guides without solvent ports will be treated as semi-custom, so please allow 2-4 weeks for delivery of rod guides without solvent ports. There is no additional charge for rod guides without integral solvent ports. Will fit the following Actions: Enfield SMLE (No. 1 Mk 4 etc) NOTE: Measure across around area of bolt about in middle with set of dial calipers. Contact Sinclair Reloading tech for proper rod guide.

## Attributes

- Name: [SINCLAIR INTERNATIONAL O-RING ROD GUIDE, 22 CALIBER-6MM, 0.650" DIAMETER](#)
- Manufacturer: [SINCLAIR INTERNATIONAL](#)
- Product no.: 749002877

# Sinclair ORing Rod Guides Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair ORing Rod Guides. This product is designed to enhance your cleaning experience for firearms ranging from .22 caliber to 6mm. To ensure safe and effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always use the rod guide in accordance with the manufacturer's instructions.
- Ensure the firearm is unloaded before inserting the rod guide.
- Keep the rod guide out of reach of children and vulnerable individuals.
- Regularly inspect the rod guide for wear or damage before each use.
- Report any unsafe product experiences or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the rod guide if it shows signs of wear or damage.
- Ensure the Oring is properly seated in the chamber before use.
- Avoid using solvents that are not recommended by the manufacturer.
- Do not force the rod guide into the chamber; it should fit snugly but easily.
- Always follow the recommended cleaning procedures to avoid damaging your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including cleaning solvent and a cleaning rod.

### 2. Installation of the Rod Guide

- Remove the bolt or bolt carrier from your firearm.
- Insert the Sinclair ORing Rod Guide into the chamber until it is fully seated.
- Ensure the silicone Oring creates a seal to prevent solvent leakage.

### 3. Using the Cleaning Rod

- Attach the cleaning rod to the appropriate cleaning brush or patch.
- Insert the cleaning rod into the rod guide and clean the barrel as per your usual cleaning routine.
- Avoid excessive force to prevent damaging the rod guide or the barrel.

### 4. PostUse

- After cleaning, remove the rod guide from the chamber.
- Clean the rod guide according to the manufacturer's recommendations.
- Store the rod guide in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of any damaged or worn rod guides in accordance with local regulations.
- For environmentally safe disposal, consider recycling the materials if possible.
- Do not dispose of the rod guide in regular household waste if it is hazardous.

## **Contact Information for Further Support**

For any questions or concerns regarding the Sinclair ORing Rod Guides, please refer to the manufacturer's contact details provided on the packaging or product documentation.

By following these guidelines, you can ensure a safe and effective cleaning experience with your Sinclair ORing Rod Guides. Thank you for your attention to these important safety instructions.
