# Safety Instruction Guide for Pyramex Shooting Glasses

## Introduction

Thank you for choosing Pyramex Shooting Glasses. This product is designed to enhance your shooting experience while ensuring your safety. Please read this safety instruction guide carefully to understand how to use the glasses properly and safely.

## General Safety Guidelines

- Always inspect the glasses before use to ensure they are free from defects or damage.
- Follow all local laws and regulations regarding eye protection while shooting.
- Ensure that the glasses fit securely and comfortably on your face.
- Keep the glasses clean and free from scratches to maintain optimal visibility.
- Store the glasses in a safe, dry place when not in use to prevent damage.

## Specific Safety Precautions for Use

- Use the glasses only for their intended purpose—protection during shooting activities.
- Do not use the glasses if they are cracked, scratched, or otherwise damaged.
- Avoid exposing the glasses to extreme temperatures or harsh chemicals, as this may compromise their integrity.
- If you experience any discomfort or vision problems while wearing the glasses, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Fitting the Glasses:

- Adjust the frame to fit your head size. The adjustable frame should provide a snug but comfortable fit.
- Ensure that the lenses sit properly in front of your eyes without obstructing your vision.

### 2. Choosing the Right Lens:

- Select the appropriate lens color based on the lighting conditions:
  - **Clear:** For low light conditions.
  - **Amber:** Enhances contrast and depth perception in varying light.
  - **Orange:** Good for low light and overcast conditions.
  - **Bronze:** Reduces glare and enhances clarity in bright light.
  - **Blue:** Ideal for bright sunny days.
- Always ensure the lens is securely in place before use.

### 3. Cleaning the Glasses:

- Use the provided cloth bag to clean the lenses gently.
- Avoid using harsh chemicals or abrasive materials that may scratch the lenses.

### 4. Storing the Glasses:

- After use, place the glasses in the waterproof zipper case to protect them from damage.
- Keep the glasses out of reach of children and pets.

## **Disposal Instructions**

- Dispose of the glasses responsibly according to local regulations.
- Do not throw the glasses in regular household waste if they are damaged; instead, check for recycling options in your area.

## **Contact Information for Further Support**

For safety inquiries or additional support, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your Pyramex Shooting Glasses. Always prioritize safety and be aware of your surroundings while shooting. Thank you for choosing Pyramex!
