NECK SIZING DIE SET 308 WIN Safety Instruction Guide

Introduction

Thank you for choosing the Redding Neck Sizing Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read and follow all instructions carefully to minimize risks and ensure optimal performance.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the dies and associated components out of reach of children and pets.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Inspect the dies for any signs of damage or wear before each use.
- Store the dies in a dry, cool place to prevent corrosion and damage.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the reloading press is securely mounted and stable before use.
- Use only compatible cartridges as specified (308 Winchester) to avoid malfunctions.
- Do not exceed recommended load specifications for the cartridges.
- Avoid distractions while reloading to maintain focus and prevent accidents.
- Handle all components with care to prevent injury from sharp edges.
- Ensure that the work area is clean and organized to avoid accidents.

Instructions for Installation and Usage

1. Installation of the Neck Sizing Die:

- Remove the die from its packaging and inspect it for any damage.
- Securely install the Neck Sizing Die into your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.

2. Using the Neck Sizing Die:

- Insert a clean, empty cartridge case into the reloading press.
- Operate the press to size the neck of the cartridge case using the Neck Sizing Die.
- After sizing, carefully remove the cartridge case from the press.

3. Using the Seating Die:

- Replace the Neck Sizing Die with the Seating Die in your reloading press.
- Insert the bullet into the cartridge case.
- Operate the press to seat the bullet to the desired depth, ensuring proper alignment.

4. Crimping:

- If desired, use the builtin crimp ring on the Seating Die to secure the bullet in place.
- Ensure that the crimp is applied evenly to avoid bullet setback.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Check with local authorities for proper disposal methods of hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the Redding Neck Sizing Die Set, please consult the product manual or reach out to the manufacturer for assistance.

By following these safety instructions, you can ensure a safe and productive reloading experience. Thank you for choosing Redding products, and happy reloading!
