

DELUXE 3-DIE SETS - 257 WEATHERBY MAGNUM 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS

257 WEATHERBY MAGNUM 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS 257 WEATHERBY MAGNUM 3 DIE SET from Redding. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this guide carefully before use to understand the safety precautions, installation instructions, and proper disposal methods.

General Safety Guidelines

- Always read and understand the manufacturer's instructions before using the product.
- Use the die set only for its intended purpose, which is to reload ammunition for the 257 Weatherby Magnum cartridge.
- Keep the die set out of reach of children and vulnerable individuals.
- Inspect the dies before each use for any signs of damage or wear.
- Ensure that your workspace is clean, dry, and welllit to avoid accidents.
- Wear appropriate protective gear, such as safety glasses and gloves, when handling reloading equipment.
- Be aware of the potential hazards associated with reloading ammunition, including exposure to lead and other hazardous materials.

Specific Safety Precautions for Use

- Handle all components of the die set with care to avoid injury.
- Always ensure that the resizing die is properly adjusted before use to prevent oversizing or undersizing of cartridges.
- Use the standard seating die only with the correct bullet types specified for the 257 Weatherby Magnum.
- Maintain a safe distance from any flammable materials when reloading ammunition.
- Do not exceed the recommended load data when reloading to prevent dangerous pressure levels.
- Store the die set in a secure location when not in use to avoid accidental damage or misuse.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Open the die box and carefully remove the dies and accessories.
- Place the fulllength sizing die into the press and secure it according to the press manufacturer's instructions.
- Install the standard seating die in the same manner, ensuring it is tightened properly.
- Adjust the neck sizing die as needed for specific reloading requirements.

2. Using the Die Set:

- Begin by preparing your brass cartridges. Clean and inspect them for any defects.
- Use the fulllength sizing die to resize the brass cartridges. Follow the specific instructions for your reloading press.
- After resizing, check the dimensions of the brass to ensure proper fit for the chamber.
- Use the neck sizing die as needed for precision fitting of the cartridges.
- When seating bullets, adjust the standard seating die to achieve the desired overall cartridge length. Ensure that the bullet is seated correctly and securely.

3. Cleaning and Maintenance:

- After use, clean the dies with a soft cloth to remove any residue.
- Store the dies in the provided die box to prevent damage.
- Regularly inspect the dies for wear and replace any damaged components as necessary.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of hazardous materials, such as spent primers or powder, in regular trash.
- Contact local waste management authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the DELUXE 3DIE SETS 257 WEATHERBY MAGNUM 3 DIE SET, please refer to the manufacturer's contact information provided in the product packaging or visit the official Redding website for additional support and resources.

By following these guidelines, you can ensure the safe and effective use of your DELUXE 3DIE SETS 257 WEATHERBY MAGNUM 3 DIE SET. Thank you for prioritizing safety in your reloading practices.
