

# DELUXE 3-DIE SETS - REDDING 6MM BR 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

# Safety Instruction Guide for DELUXE 3DIE SETS REDDING 6MM BR 3 DIE SET

## Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 6MM BR 3 DIE SET. This product is designed to help you create highquality ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this die set by following all instructions and guidelines provided. This product is designed for nonfood use and should be handled with care.
- **Enhanced Recalls:** Be aware that if there are any safety concerns regarding this product, standardized recall notices will be issued, and free remedies will be provided.
- **Online Shopping:** If purchased online, know that you are entitled to the same safety protections as if you had bought it in a physical store.
- **Special Consumer Focus:** Extra care should be taken when this product is used around vulnerable groups, including children. Keep all components out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EUbased contact point provided with your product.
- **Rapid Alerts:** Stay informed about any unsafe products through the Safety Gate system, which provides rapid updates.

## Specific Safety Precautions for Use

- Always read and understand the instructions before using the die set.
- Ensure that the die set is used only for its intended purpose—reloading ammunition for firearms.
- Wear appropriate safety gear, including eye protection, while using the die set.
- Keep the work area clean and free of distractions to prevent accidents.
- Do not modify or tamper with the die set. Any alterations can lead to unsafe conditions.
- Always check for proper fit and function before using the die set with your reloading equipment.
- Store the die set in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

1. **Unboxing:** Carefully remove the die set from the packaging. Inspect all components for any damage or defects.
2. **Installation:**
  - Follow the manufacturer's instructions to install the fulllength sizing die, standard seating die, and neck sizing die onto your reloading press.
  - Ensure that all dies are securely tightened and properly aligned.
3. **Usage:**
  - Adjust the dies according to the specifications for your specific reloading needs.
  - Use the provided hex wrench to make adjustments as necessary.
  - Always use the die set in conjunction with the appropriate shellholder (sold separately).
  - Ensure that you are using the correct cartridge (6 mm BR) for this die set.
4. **PostUse:** After using the die set, clean and inspect it for any signs of wear or damage. Store it in the provided die box to maintain its condition.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly by recycling where possible.
- If the die set is no longer usable, dispose of it in accordance with local regulations for metal products.
- Do not discard the die set in regular household waste.

## **Contact Information for Further Support**

For any further support or inquiries regarding the DELUXE 3DIE SETS REDDING 6MM BR 3 DIE SET, please refer to the contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Enjoy using your Redding die set responsibly and safely.
