

COMPETITION BUSHING NECK DIES - COMPETITION BUSHING NECK DIE 270 WIN

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: COMPETITION BUSHING NECK DIE 270 WIN
- Manufacturer: REDDING
- Product no.: 749007430
- Mfr. No.: 56135
- Cartridge: 270 Winchester
- Die Style: Neck Die
- Delivery weight: 0.454kg
- Shipping height: 41mm
- Shipping width: 112mm
- Shipping length: 152mm
- UPC: 611760561351

Safety Instruction Guide for Competition Bushing Neck Die 270 Win

Introduction

Thank you for choosing the Competition Bushing Neck Die 270 Win by Redding. This product is designed for precision reloading and is intended for use by experienced competition shooters. Please read this safety instruction guide carefully to ensure safe and effective use of the die.

General Safety Guidelines

- Always handle the die and related equipment with care.
- Ensure that your workspace is clean and organized to prevent accidents.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the die.
- Keep the die out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Regularly check for updates on product recalls and safety information through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the die only for its intended purpose: resizing the neck of cartridge cases.
- Ensure that the die is compatible with the specific cartridge case you are using (e.g., 270 Winchester).
- Before using the die, inspect it for any signs of damage or wear. Do not use if damaged.
- Follow all manufacturer instructions regarding the setup and use of the die.
- Do not exceed the recommended sizing parameters to avoid damaging the cartridge case or the die.
- Always ensure that the die is properly secured in the reloading press before use.
- Use caution when handling and disposing of spent primers and other reloading components.

Instructions for Installation and Usage

1. Installation:

- Securely mount the die into your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to avoid any movement during operation.
- Insert the appropriate bushing into the die for the desired neck sizing.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Insert the cartridge case into the die's sliding sleeve, ensuring it is properly supported.
- Adjust the micrometer to set the desired neck length for resizing.
- Begin the sizing process slowly, allowing the bushing to self-center on the case neck.
- After resizing, remove the cartridge case and inspect it for proper sizing.
- Repeat the process for additional cases as needed.

Disposal Instructions

- Dispose of any damaged or worn parts of the die in accordance with local regulations.
- Do not dispose of the die or its components in regular household waste.
- Contact local authorities for guidance on hazardous waste disposal if applicable.

Contact Information for Further Support

For any questions or concerns regarding the use of the Competition Bushing Neck Die 270 Win, please refer to the manufacturer's website or customer service for further assistance.

By following these safety guidelines, you can ensure a safe and effective reloading experience. Thank you for choosing our product, and happy shooting!
