

DELUXE 3-DIE SETS - REDDING 257 ROBERTS ACKLEY IMPROVED 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 257 ROBERTS ACKLEY IMPROVED 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 257 ROBERTS ACKLEY IMPROVED 3 DIE SET. This product is designed to help you create highquality ammunition safely and effectively. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure safe use of the product by following all instructions and guidelines.
- Always handle the die set with care to avoid accidents and injuries.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the die set.
- Ensure that the workspace is clean and welllit to prevent accidents.
- Do not exceed the recommended specifications when using the die set.
- Keep hands and other body parts clear of moving parts during operation.
- Avoid using the die set if you are under the influence of drugs or alcohol.
- Follow manufacturer instructions for the proper use of the die set to prevent misuse.

Instructions for Installation and Usage

1. Unboxing and Inspection

- Carefully open the packaging and inspect all components of the die set.
- Ensure that the full length sizing die, standard seating die, and neck sizing die are included.
- Check for any visible damage or defects before proceeding.

2. Installation

- Secure the die set in a suitable reloading press.
- Follow the manufacturer's instructions for mounting each die.
- Ensure that all components are tightened properly to avoid movement during use.

3. Using the Die Set

- Begin with the full length sizing die to resize the cartridge cases.
- Follow with the neck sizing die for precise neck sizing as needed.
- Finally, use the standard seating die to seat the bullet into the cartridge case.
- Regularly check for proper alignment and operation during the process.

4. PostUse Care

- Clean the die set after each use to maintain performance and longevity.
- Store the die set in the provided die box to protect it from damage.
- Keep the spare decapping pin and hex wrench in the die box for future use.

Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not dispose of the die set in household waste.
- Contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the DELUXE 3DIE SETS REDDING 257 ROBERTS ACKLEY IMPROVED 3 DIE SET, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Safe reloading!
