

DELUXE 3-DIE SETS - REDDING 7.65X53MM MAUSER 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS REDDING 7.65X53MM MAUSER 3 DIE SET

Introduction

Thank you for choosing the DELUXE 3DIE SETS REDDING 7.65X53MM MAUSER 3 DIE SET. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure that you understand the operation of the die set and follow all instructions provided in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die set.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set before use to ensure it is in good condition and free from defects.
- Do not use the die set for purposes other than its intended use.

Specific Safety Precautions for Use

- Handle all tools and dies with care to avoid injury.
- Ensure that the workspace is clean, dry, and welllit.
- Avoid distractions while using the die set.
- Store the die set in a secure place when not in use to prevent accidents.
- If you experience any issues or malfunctions during use, stop immediately and consult a qualified technician.

Instructions for Installation and Usage

1. Unpacking the Die Set

- Carefully remove the die set from its packaging.
- Check that all components are included: full length sizing die, standard seating die, neck sizing die, spare decapping pin, and hex wrench.

2. Setting Up the Die Set

- Mount the dies into your reloading press according to the manufacturer's instructions.
- Ensure that each die is tightened securely to prevent movement during operation.

3. Using the Full Length Sizing Die

- Insert a clean, unprimed brass casing into the die.
- Follow the press instructions to size the casing fully.
- Inspect the casing for proper sizing before proceeding.

4. Using the Standard Seating Die

- Place a bullet on the mouth of the sized casing.
- Adjust the seating depth according to your specifications.
- Operate the press to seat the bullet firmly into the casing.

5. Using the Neck Sizing Die

- Insert the previously fired casing into the neck sizing die.
- Follow the press instructions to size the neck of the casing.
- Inspect the casing to ensure a proper fit.

6. Maintenance

- Clean the dies regularly to prevent buildup of residue.
- Store the dies in their designated box to protect them from damage.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible.

Contact Information for Further Support

For any inquiries or concerns regarding the DELUXE 3DIE SETS REDDING 7.65X53MM MAUSER 3 DIE SET, please consult the manufacturer's website or customer service for assistance.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and effective reloading experience.
