

# TIPPED TSX® 7MM (.284") POLYMER TIP FLAT BASE RIFLE BULLETS - TIPPED TSX 7MM (0.284") FB 110GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available—a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

## Attributes

- Name: [TIPPED TSX 7MM \(0.284"\) FB 110GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009091
- Mfr. No.: 30296
- Ballistic Coefficient (G1): 0.319
- Brand Style: Tipped Triple Shock X
- Bullet Style: Flat Base (FB)
- Caliber: 7mm,284 Caliber
- Diameter (Breech): 0.284
- Diameter (in): 0.284
- Grain: 110
- Sectional Density: 0.195
- Quantity: 50
- Delivery weight: 0.408kg
- Shipping height: 36mm
- Shipping width: 51mm
- Shipping length: 86mm
- UPC: 716876284702

## Item details

Made in USA

US export classification: 0A505.x

# Safety Instruction Guide for TIPPED TSX® 7MM (.284") POLYMER TIP FLAT BASE RIFLE BULLETS

## Introduction

Thank you for choosing the TIPPED TSX® 7MM (.284") Polymer Tip Flat Base Rifle Bullets. This guide provides essential safety instructions and guidelines to ensure safe and effective use of this product. Please read and follow these instructions carefully to minimize risks and enhance your shooting experience.

## General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of rifle bullets in your area.
- Always handle ammunition and firearms with care. Treat every firearm as if it is loaded.
- Keep ammunition out of reach of children and unauthorized users.
- Inspect bullets for any signs of damage or defects before use. Do not use damaged bullets.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Use appropriate personal protective equipment (PPE), including eye and ear protection, when handling and using ammunition.

## Specific Safety Precautions for Use

- Only use TIPPED TSX® bullets in firearms that are specifically chambered for 7MM (.284") ammunition.
- Be aware that the polymer tip enhances ballistic performance but does not eliminate the need for careful shooting practices.
- Avoid using these bullets in firearms that are not rated for highvelocity loads.
- Follow the manufacturer's recommended load data when reloading ammunition.
- Ensure that your firearm is clean and in good working condition before use.
- Never point a firearm at anything you do not intend to shoot.
- In case of a misfire, wait at least 30 seconds before attempting to eject the cartridge.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure that your firearm is unloaded before loading bullets.
- Follow the reloading data provided by the manufacturer to ensure safe loading practices.
- Carefully insert the bullet into the casing, ensuring it is seated properly.

### 2. Using the Bullets:

- Load the firearm as per the manufacturer's instructions.
- Use the appropriate sighting techniques for accurate shooting.
- Maintain a proper shooting stance and grip for stability.

### 3. PostUse Care:

- After shooting, clean your firearm according to the manufacturer's guidelines to prevent fouling.
- Store any remaining bullets in their original packaging to protect them from damage.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Consult local hazardous waste disposal guidelines for proper

disposal methods.

- If you experience any issues with the product, contact the manufacturer for guidance on safe disposal.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the TIPPED TSX® bullets, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety and responsible use. Enjoy your shooting experience with the TIPPED TSX® 7MM (.284") Polymer Tip Flat Base Rifle Bullets.
