# PRIMING TOOL KIT CASE Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair Priming Tool Storage Case. This guide provides essential safety instructions to ensure the safe use of your product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always keep the storage case closed when not in use to prevent accidental opening and potential injury.
- Regularly inspect the case for any signs of damage or wear. Do not use the case if it is damaged.
- Keep the storage case out of reach of children to avoid accidents.
- If you notice any unusual behavior or damage while using the case, discontinue use immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- Always store the Sinclair Priming Tool and accessories in the designated cutouts within the case to prevent movement and potential damage.
- Avoid placing heavy objects on top of the storage case to prevent deformation.
- Do not expose the case to extreme temperatures or direct sunlight for extended periods, as this may affect the integrity of the materials.
- Ensure that the snaplock latch is securely closed when transporting the case to prevent accidental opening.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the Sinclair Priming Tool Storage Case from its packaging. Ensure that all components are present.
2. **Storage Setup:**
  - Open the case and place the Sinclair Priming Tool in the designated cutout.
  - Store any additional punch housing and optional priming tool heads in their respective cutouts.
  - Ensure that all items fit snugly within the foam insert to avoid movement during transport.
3. **Closing the Case:**
  - After storing all items, close the case by aligning the top and bottom halves.
  - Secure the snaplock front latch to ensure the case remains closed.
4. **Transporting the Case:** When transporting, hold the case securely and avoid dropping or throwing it to prevent damage to the contents.

## Disposal Instructions

- Dispose of the Sinclair Priming Tool Storage Case responsibly in accordance with local regulations.
- Do not dispose of the case in household waste. Check for local recycling programs that accept plastic and foam materials.
- If the case is damaged beyond repair, consider contacting local waste management for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the Sinclair Priming Tool Storage Case, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective experience with your Sinclair Priming

Tool Storage Case. Thank you for your attention to safety.
