

# **DELUXE CASEHOLDER AND DRIVER SET - SINCLAIR**

## **INTERNATIONAL DELUXE DRIVER & CASE HOLDER SET WITH #1, #3, #4 CASE HOLDERS**

[Reloading](#) > [Case Preparation](#) > [Neck Turning](#) > [Neck Turning Accessories](#)

The Sinclair Driver and Caseholder system is designed to hold and turn your case while you are neck turning, cleaning case necks or case mouth deburring. The caseholders and driver are machined from stainless steel, and the driver has a  $\frac{1}{4}$ " hex shaft for use in power screwdrivers or low speed drill motors. The driver is universal to the Sinclair system and will work with all the caseholders. Our Universal Caseholder enables you to use this system with our Sinclair Priming Tool Shell Holders. Select the appropriate shell holders for your favorite cartridges. The Universal Caseholder works with the same #749-002-109 driver as our original caseholders, and it is available as a "kit" with the Driver and Universal Caseholder, as a kit with the Sinclair Driver and the three most popular caseholders (#1, #3 & #4) included, or individually for those who already have a driver. Remember to order the Sinclair Stainless Shell Holders for your Universal Caseholder if you don't already have them. This system is a great, inexpensive way to speed up the neck turning process. Also works great for many other case prep operations.

# Safety Instruction Guide for DELUXE CASEHOLDER AND DRIVER SET

## Introduction

Thank you for choosing the DELUXE CASEHOLDER AND DRIVER SET by Sinclair International. This product is designed to enhance your case preparation process, specifically for neck turning, cleaning case necks, and case mouth deburring. To ensure your safety and the longevity of the product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always use the product according to the instructions provided in this guide.
- Ensure that the workspace is clean and free of any hazards.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before use.
- Report any unsafe product conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses and gloves when using the caseholder and driver set to protect against debris and sharp edges.
- **Power Tools:** When using the driver with power screwdrivers or drill motors, ensure that the tool is compatible and in good working condition.
- **Stability:** Ensure that the caseholder is securely attached to the case before starting any operation to prevent slipping or accidents.
- **Proper Handling:** Handle the stainless steel components with care to avoid cuts or injury.
- **Supervision:** If children or inexperienced users are present, ensure they are supervised at all times when the product is in use.

## Instructions for Installation and Usage

### 1. Assembly:

- Attach the appropriate caseholder (#1, #3, or #4) to the driver by aligning the hex shaft with the holder and securing it firmly.
- Ensure that the connection is tight to prevent any disconnection during use.

### 2. Using the Caseholder:

- Insert the case into the caseholder, ensuring it fits snugly.
- If using the Universal Caseholder, select the correct Sinclair Priming Tool Shell Holder for your cartridge.

### 3. Neck Turning and Case Preparation:

- With the case securely held, proceed to neck turn, clean, or deburr as needed.
- Maintain a steady hand and consistent pressure to ensure even results.

### 4. Cleaning and Maintenance:

- After use, clean the components with a soft cloth to remove any debris or residue.

- Store the driver and caseholder in a dry place, away from direct sunlight and moisture.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding metal waste.
- If the product is no longer usable, consider recycling the stainless steel components if possible.

## **Contact Information for Further Support**

For any inquiries regarding the safety or functionality of the DELUXE CASEHOLDER AND DRIVER SET, please refer to the EUbased contact point provided with your product packaging.

Thank you for following these safety guidelines. Your safety is our priority, and we hope you enjoy using your DELUXE CASEHOLDER AND DRIVER SET.
