LRX® 30 CAL .308 POLYMER TIP BOAT TAIL BORE RIDER RIFLE BULLETS SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the LRX® 30 CAL .308 Polymer Tip Boat Tail Bore Rider Rifle Bullets by Barnes Bullets. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure the product is stored in a cool, dry place away from direct sunlight and moisture.
- Always handle ammunition responsibly and with care. Treat every bullet as if it is loaded.
- Keep ammunition out of reach of children and unauthorized persons.
- Follow all local, state, and national laws regarding the storage, handling, and use of ammunition.
- Inspect the ammunition before use. Do not use any bullets that are damaged or show signs of corrosion.
- Use appropriate protective gear, including safety glasses and hearing protection, when using firearms.

Specific Safety Precautions for Use

- Only use the LRX® 30 CAL .308 bullets in firearms that are specifically chambered for .308 caliber.
- Ensure that the firearm is in good working order and has been maintained according to the manufacturer's recommendations.
- Do not exceed the recommended load specifications provided by your firearm's manufacturer.
- Be aware of your target and what lies beyond it. Ensure a safe backdrop before shooting.
- Avoid using these bullets in firearms that are not designed for highperformance ammunition, as it may lead to malfunctions or accidents.
- Do not attempt to modify or disassemble the bullets.

Instructions for Installation and Usage

1. Preparation:

- Ensure you are in a safe environment, free from distractions.
- Gather all necessary equipment, including your firearm, ammunition, and safety gear.

2. Loading the Firearm:

- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Load the LRX® 30 CAL .308 bullets into the magazine or chamber according to the manufacturer's instructions for your specific firearm.

3. Firing:

- Always point the firearm in a safe direction.
- Keep your finger off the trigger until you are ready to fire.
- Follow the firing sequence as recommended by your firearm's manufacturer.

4. After Firing:

- After firing, open the action of the firearm and visually inspect the chamber to ensure it is clear

- before handling.
- Store any remaining ammunition in a secure location.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash. Contact your local waste management authority for proper disposal methods.
- If you have any bullets that are damaged or defective, contact the manufacturer for guidance on disposal.

Contact Information for Further Support

For any inquiries regarding product safety or to report unsafe products, please reach out to your local regulatory authority or visit the EU Safety Gate platform for updates on product recalls and safety alerts.

Thank you for prioritizing safety while using the LRX® 30 CAL .308 Polymer Tip Boat Tail Bore Rider Rifle Bullets. Your adherence to these guidelines helps ensure a safe experience for you and those around you.
