Safety Instruction Guide for PROGRESSIVE STAGE PRESS STEEL SHOT CHARGE BAR

Introduction

Thank you for choosing the PROGRESSIVE STAGE PRESS STEEL SHOT CHARGE BAR by MEC RELOADING. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the charge bar.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while handling and using the charge bar.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the charge bar for any signs of wear or damage before use.
- Do not use the charge bar for any purpose other than intended.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

• Hazard Identification:

- The charge bar is designed for handling steel shot, which can pose risks if not managed correctly.
- Avoid direct contact with sharp edges or moving parts during operation.

• Avoiding Hazards:

- Ensure the work area is clean and free from obstructions before starting.
- Do not overload the charge bar beyond its specified capacity (1 oz).
- Always check the compatibility of the shot size (BB sizes down to #6) with the charge bar.
- Never attempt to modify or repair the charge bar without proper guidance from a qualified professional.

• Age Specific Warnings:

- This product is intended for adult use only. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is properly set up according to the manufacturer's instructions.
- Carefully attach the steel shot charge bar to the reloading press, ensuring all fasteners are securely tightened.
- Verify that the charge bar is aligned correctly and moves freely without obstruction.

2. Usage:

- Measure the desired amount of steel shot (between 7/8 oz to 1 1/2 oz) according to your reloading requirements.
- Fill the charge bar with the appropriate steel shot size (BB sizes down to #6).
- Operate the reloading press according to its manual, ensuring that the charge bar functions

smoothly.

- After use, clean the charge bar to remove any residue and store it in a safe location.

Disposal Instructions

- Dispose of the charge bar in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal facilities for metal products.
- Ensure that any remaining steel shot is disposed of safely and in accordance with local environmental regulations.

Contact Information for Further Support

For any questions, concerns, or safety inquiries regarding the PROGRESSIVE STAGE PRESS STEEL SHOT CHARGE BAR, please refer to the manufacturer's contact information provided on the product packaging or official website.

By following these guidelines, you can ensure safe usage of the PROGRESSIVE STAGE PRESS STEEL SHOT CHARGE BAR. Thank you for prioritizing safety and compliance with EU General Product Safety Regulation (GPSR).
