# Safety Instruction Guide for PROGRESSIVE STAGE PRESS STEEL SHOT CHARGE BAR

## Introduction

Thank you for choosing the PROGRESSIVE STAGE PRESS STEEL SHOT CHARGE BAR. This product is designed for progressive reloaders and is capable of loading shot from 7/8 oz to 11/2 oz, accommodating BB sizes down to #6. To ensure your safety and the proper use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that the area where you are reloading is wellventilated.
- Keep the work area clean and free of clutter to avoid accidents.
- Store the charge bar in a safe place, out of reach of children and pets.
- Regularly inspect the charge bar for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities immediately.

## Specific Safety Precautions for Use

### • Hazard Identification:

- The charge bar may pose risks if not used correctly, including potential injury from sharp edges or moving parts.
- Improper loading may lead to misfires or malfunction of the reloading press.

### • Avoiding Hazards:

- Always ensure that the charge bar is securely attached to the reloading press before use.
- Do not attempt to modify the charge bar or use it for purposes other than intended.
- Wear appropriate safety gear, such as safety glasses and gloves, to protect against accidental spills or debris.
- Keep hands and other body parts clear of moving parts during operation.

### • Age Restrictions:

- This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged before installation.
- Attach the charge bar securely to the designated area of the reloading press according to the manufacturer's instructions.
- Doublecheck that all connections are tight and secure.

### 2. Usage:

- Before starting, ensure that you have the correct size of shot and BBs as specified for the charge bar.
- Set the charge bar to the desired weight setting (11/4 oz).

- Load the shot into the charge bar carefully, avoiding spills.
- Operate the reloading press according to the instructions provided with the press, ensuring that the charge bar is functioning correctly.
- Monitor the reloading process closely to prevent any issues.

## **Disposal Instructions**

- Dispose of the charge bar in accordance with local regulations.
- If the product is damaged or no longer usable, contact your local waste management facility for proper disposal methods.
- Do not dispose of the charge bar in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective reloading experience with the PROGRESSIVE STAGE PRESS STEEL SHOT CHARGE BAR. Thank you for your attention to these important safety guidelines.
