

# MOISTUREGUARD™! REM CLOTH - REMINGTON MOISTUREGUARD REM CLOTH

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Rust Prevention](#)

Multi-purpose cloth protects metal surfaces from rust and corrosion with a blend of proven Rem® Oil and advanced Volatile Corrosion Inhibitor (VCI) technology. VCI vapors bond with water and oxygen molecules to prevent them from starting the corrosion process. Long-lasting barrier penetrates the smallest nooks and crannies; perfect for a final wipe-down before storing guns, knives, tools, and other valuable metal items. Safe on wood, synthetics, and all metals, ferrous and non-ferrous. SPECS: Cloth treated with Rem Oil and VCI. 10" (25.4cm) x 10".

# MOISTUREGUARD REM CLOTH Safety Instruction Guide

## Introduction

Thank you for choosing the MOISTUREGUARD REM CLOTH. This multipurpose cloth is designed to protect metal surfaces from rust and corrosion using a blend of proven Rem® Oil and advanced Volatile Corrosion Inhibitor (VCI) technology. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure safe use of the MOISTUREGUARD REM CLOTH by following these safety guidelines:
  - Always store the cloth in a cool, dry place away from direct sunlight.
  - Keep out of reach of children and pets.
  - Use the cloth only for its intended purpose—protecting metal surfaces.
  - Avoid using the cloth on foodcontact surfaces.
  - Do not use the cloth if it appears damaged or contaminated.

## Specific Safety Precautions for Use

- When using the MOISTUREGUARD REM CLOTH, please observe the following precautions:
  - Do not apply excessive pressure while wiping surfaces to avoid scratches.
  - Ensure the surface to be treated is clean and free of dirt or debris.
  - Use gloves if you have sensitive skin or are allergic to oils.
  - Avoid inhalation of VCI vapors; use in wellventilated areas.
  - Do not dispose of the cloth in fire as it may release harmful fumes.

## Instructions for Installation and Usage

- Follow these steps for proper installation and usage of the MOISTUREGUARD REM CLOTH:
  1. **Preparation:** Ensure the item you wish to protect is clean and dry.
  2. **Unfold the Cloth:** Open the MOISTUREGUARD REM CLOTH fully to expose its surface.
  3. **Wipe the Surface:** Gently wipe the metal surface with the cloth, ensuring even coverage.
  4. **Final Wipe:** For best results, perform a final wipedown to remove any excess oil.
  5. **Storage:** After use, fold the cloth and store it in its original packaging or a sealed bag to maintain its effectiveness.

## Disposal Instructions

- To dispose of the MOISTUREGUARD REM CLOTH safely:
  - Check local regulations for disposal of oiltreated materials.
  - If the cloth is heavily soiled, consider contacting a local waste management facility for guidance.
  - Do not dispose of the cloth in regular household waste if it is contaminated with hazardous materials.

## Contact Information for Further Support

- For any safety inquiries or additional support regarding the MOISTUREGUARD REM CLOTH, please refer to the contact information provided on the product packaging or the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure the effective and safe use of the MOISTUREGUARD REM CLOTH. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for taking the time to read this guide, and enjoy the benefits of your MOISTUREGUARD REM CLOTH!
