Remington 6Tube Choke Tube Case Safety Instructions

Introduction

Thank you for purchasing the Remington 6Tube Choke Tube Case. This product is designed to securely hold your choke tubes and accessories while ensuring safe transportation. Please read this safety instruction guide carefully to understand the proper use and maintenance of your case.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the case out of reach of children and vulnerable individuals to avoid potential hazards.
- Regularly inspect the case for any signs of wear or damage.
- In case of any product malfunction or damage, discontinue use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that the choke tubes are securely fastened in the case before transportation.
- Avoid placing heavy objects on top of the case to prevent damage.
- Do not expose the case to extreme temperatures or moisture, as this may affect its durability.
- Use caution when opening the zipper to prevent pinching or injury.
- When using the belt loop, ensure it is securely attached to avoid accidental drops.

Instructions for Installation and Usage

1. Loading Choke Tubes:

- Open the zipper of the case.
- Carefully place each choke tube into the designated slots, ensuring they are securely held by the elastic bands.
- Place the choke tube wrench in the designated compartment.

2. Using the Case:

- Close the zipper securely to protect the contents.
- When carrying the case, use the belt loop for added convenience or place it in your range bag or blind bag.

3. Maintenance:

- Clean the exterior of the case with a damp cloth as needed.
- Avoid using harsh chemicals that may damage the material.
- Regularly check the zipper and elastic bands for functionality.

Disposal Instructions

- Dispose of the case in accordance with local waste disposal regulations.
- If the case is no longer usable, consider recycling materials where possible.
