# Safety Instruction Guide for 110 AICS Magazines

## Introduction

Thank you for choosing the 110 AICS Magazines by Savage Arms. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your rifle before using the magazine.
- Always handle the magazine and rifle with care, treating every firearm as if it is loaded.
- Store magazines and ammunition in a secure location, out of reach of children and unauthorized persons.
- Regularly inspect your magazine for any signs of damage or wear. Do not use a damaged magazine.
- Follow all local laws and regulations regarding firearm and ammunition storage and usage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure the rifle is pointed in a safe direction when loading or unloading the magazine.
- Do not attempt to modify the magazine in any way, as this may compromise its safety and functionality.
- Use only compatible ammunition as specified in the product description (e.g., .300 Winchester Magnum).
- Avoid using the magazine in extreme weather conditions that may affect its performance.
- If you experience any feeding issues, stop using the magazine and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the rifle.
- Gently push the magazine into the magazine well until it clicks into place. Ensure it is securely attached.

### 2. Loading the Magazine:

- Hold the magazine with the feed lips facing up.
- Insert the rounds into the magazine, ensuring they are positioned correctly.
- Do not overload the magazine beyond its specified capacity of 5 rounds.

### 3. Using the Magazine:

- Insert the loaded magazine into the rifle as described in the installation section.
- Ensure the magazine is seated properly before attempting to fire.
- Follow standard operating procedures for your rifle when firing.

### 4. Unloading the Magazine:

- Point the rifle in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Carefully remove the rounds from the magazine and store them safely.

## **Disposal Instructions**

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not throw magazines in regular household waste.
- Contact local waste management services for information on proper disposal methods.
