# Safety Instruction Guide for 110 AICS MAGAZINES

## Introduction

Thank you for choosing the 110 AICS Magazines by Savage Arms. This guide provides important safety instructions and precautions to ensure the safe use of the product. Please read this manual carefully before using the magazines to understand the necessary safety measures and proper handling procedures.

## General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations regarding the use of firearms and ammunition.
- Always handle magazines and firearms with care, treating them as if they are loaded.
- Keep the magazines out of reach of children and unauthorized individuals.
- Inspect the magazines regularly for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the magazines with incompatible firearms or ammunition types.
- Always ensure that the magazine is securely attached to the firearm before use.
- Avoid exposing the magazines to extreme temperatures, moisture, or corrosive environments to prevent damage.
- Use only the recommended ammunition specified for the magazine to avoid malfunctions.
- If a magazine fails to feed or eject properly, cease use immediately and inspect for obstructions or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks, indicating it is securely locked.

### 2. Usage:

- Load the magazine with the appropriate ammunition.
- Ensure that the ammunition is seated correctly and that there are no obstructions.
- Insert the loaded magazine into the firearm, ensuring it is locked in place.
- Always keep the firearm pointed in a safe direction when loading and unloading.

### 3. Maintenance:

- Clean the magazines regularly with a soft cloth to remove dirt and debris.
- Store the magazines in a cool, dry place when not in use.
- Inspect the magazine springs for wear and replace if necessary.

## Disposal Instructions

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not attempt to repair magazines that are beyond safe use.
- Follow your local waste disposal guidelines for metal products.

## **Contact Information for Further Support**

For any safety inquiries or further information regarding the 110 AICS Magazines, please refer to the manufacturer's website or contact your local dealer.

Thank you for prioritizing safety and responsible usage. Enjoy your shooting experience!
