

# LIGHT WEIGHT SCOPE MOUNT - BROWNING A-BOLT 1" MEDIUM SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## Attributes

- Name: [BROWNING A-BOLT 1" MEDIUM SCOPE MOUNT](#)
- Manufacturer: [TALLEY](#)

# LIGHT WEIGHT SCOPE MOUNT BROWNING ABOLT 1" MEDIUM SCOPE MOUNT Safety Instructions

## Introduction

Thank you for purchasing the LIGHT WEIGHT SCOPE MOUNT for Browning ABolt. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the scope mount is compatible with your firearm model before installation.
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Inspect the scope mount for any damage before each use. Do not use if damaged.
- Keep the scope mount out of reach of children and unauthorized users.
- Use the scope mount only for its intended purpose as described in this manual.
- If you experience any issues with the scope mount, discontinue use and seek professional assistance.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of 1" diameter scopes for this mount.
- Ensure that all screws are tightened securely to prevent the scope from slipping or shifting during use.
- Avoid using the scope mount in extreme weather conditions that may affect its performance.
- Regularly check the mount for any signs of wear or loosening screws, especially after heavy use.
- When adjusting or removing the scope, always point the firearm in a safe direction.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure that your firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Align the scope mount with the receiver of your firearm.
- Insert the four TORX screws into the ring caps and handtighten them.
- Use the TORX screwdriver to securely tighten each screw in a crisscross pattern to ensure even pressure.
- Confirm that the scope mount is firmly attached before proceeding.

### 3. Scope Attachment:

- Place your 1" diameter scope into the ring.
- Adjust the scope to your desired position and tighten the ring caps securely.
- Doublecheck that the scope is level and properly aligned.

### 4. Final Checks:

- After installation, visually inspect the mount and scope for proper alignment.
- Conduct a function check by gently shaking the firearm to ensure the scope is secure.

## **Disposal Instructions**

- Dispose of the scope mount in accordance with local regulations for metal and electronic waste.
- Do not dispose of the product in household waste. Check for recycling facilities in your area.

## **Contact Information for Further Support**

For any inquiries regarding the safety or performance of the LIGHT WEIGHT SCOPE MOUNT, please reach out to the manufacturer or authorized dealer. Always refer to the product manual for additional information.

By following these safety instructions, you can ensure the safe and effective use of your LIGHT WEIGHT SCOPE MOUNT. Thank you for your attention to safety and responsible firearm handling.
