

LIGHT WEIGHT SCOPE MOUNT - MAUSER 98 LARGE RING 1" LOW SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

LIGHT WEIGHT SCOPE MOUNT MAUSER 98 LARGE RING 1" LOW SCOPE MOUNT Safety Instructions

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT MAUSER 98 LARGE RING 1" LOW SCOPE MOUNT. This product is designed to enhance your shooting experience by providing a secure and reliable mounting solution for your scope. To ensure your safety and the optimal performance of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure the scope mount is compatible with your firearm before installation.
- Inspect the scope mount for any signs of damage or wear before each use.
- Store the scope mount in a dry, cool place to prevent corrosion and damage.
- Keep the scope mount out of reach of children and unauthorized users.
- Use the scope mount only for its intended purpose and in accordance with the manufacturer's instructions.
- If you experience any issues or have concerns about the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope mount.
- Avoid overtightening the TORX screws, as this may damage the mount or the firearm.
- Regularly check the tightness of the screws to ensure the mount remains secure during use.
- Be aware of the height specifications when mounting your scope to ensure proper sight alignment.
- Do not use the scope mount if it has been involved in a fall or impact, as this could compromise its integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure your firearm is unloaded and in a safe working environment.

2. Installation:

- Align the scope mount with the mounting holes on your firearm's receiver.
- Insert the TORX screws through the ring caps into the base.
- Handtighten the screws to secure the mount in place.

3. Adjustment:

- Once the mount is securely attached, place your scope into the rings.
- Adjust the scope to achieve the desired eye relief and alignment.
- Tighten the TORX screws on the ring caps to secure the scope in place. Ensure not to overtighten.

4. Final Check:

- Doublecheck the tightness of all screws.
- Ensure that the scope is properly aligned and securely mounted before using the firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- Do not dispose of the scope mount in regular household waste if it is damaged. Instead, contact local waste management authorities for proper disposal methods.
- Recycle materials whenever possible to minimize environmental impact.

Contact Information for Further Support

For further assistance or inquiries regarding the LIGHT WEIGHT SCOPE MOUNT MAUSER 98 LARGE RING 1" LOW SCOPE MOUNT, please consult the manufacturer's website or contact their customer support directly.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LIGHT WEIGHT SCOPE MOUNT MAUSER 98 LARGE RING 1" LOW SCOPE MOUNT. Always prioritize safety and seek professional guidance if you are unsure about any aspect of installation or usage. Thank you for your attention to these important safety guidelines.
