

LIGHT WEIGHT SCOPE MOUNT - TALLEY REMINGTON 700 30MM LOW SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

- Name: [TALLEY REMINGTON 700 30MM LOW SCOPE MOUNT](#)

LIGHT WEIGHT SCOPE MOUNT TALLEY REMINGTON 700 30MM LOW SCOPE MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT TALLEY REMINGTON 700 30MM LOW SCOPE MOUNT. This guide provides essential safety instructions and information for the proper use, installation, and disposal of your scope mount. Please read this guide carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Inspect the scope mount before use. Do not use if there are any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the scope mount is securely attached to the firearm before use.
- Use the specified TORX screws for fastening the ring cap to prevent slippage or shifting of the scope.
- Do not exceed the recommended weight limits for scopes mounted on this product.
- Be cautious when adjusting the scope after installation to avoid misalignment.
- Avoid using the scope mount in extreme weather conditions without proper protection.

Instructions for Installation and Usage

Installation

1. **Gather Tools:** Ensure you have the necessary tools, including a TORX screwdriver.
2. **Prepare the Firearm:** Make sure the firearm is unloaded and pointed in a safe direction.
3. **Attach the Base:**
 - Align the base of the scope mount with the mounting holes on the firearm's receiver.
 - Secure the base using the appropriate screws provided.
4. **Install the Scope:**
 - Place the scope into the ring mount.
 - Adjust the position of the scope for optimal eye relief and alignment.
5. **Secure the Ring Caps:**
 - Place the ring caps over the scope.
 - Tighten the TORX screws uniformly to secure the scope in place.
6. **Final Check:** Ensure all screws are tight and the scope is stable before using the firearm.

Usage

- Always handle firearms responsibly and in accordance with local laws.
- Regularly check the stability of the scope mount during use.
- If you notice any movement or instability, stop using the firearm immediately and inspect the mount.

Disposal Instructions

- Dispose of the scope mount in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste. Check for recycling options or designated disposal sites.
- Ensure that any hazardous materials are handled according to safety guidelines.

Contact Information for Further Support

For any inquiries or additional support regarding the LIGHT WEIGHT SCOPE MOUNT TALLEY REMINGTON 700 30MM LOW SCOPE MOUNT, please refer to the manufacturer's contact information provided with the product packaging. It is important to have this information readily available for any safety concerns or product questions.

Thank you for prioritizing safety and compliance. Enjoy your new scope mount responsibly!
