

LIGHT WEIGHT SCOPE MOUNT - BROWNING X-BOLT 1" LOW MOUNTS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

LIGHT WEIGHT SCOPE MOUNT BROWNING XBOLT 1" LOW MOUNTS Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT BROWNING XBOLT 1" LOW MOUNTS. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with the EU General Product Safety Regulation (GPSR). Ensure that you understand the product features and limitations before use.
- **Enhanced Recalls:** In the event of a safety recall, follow the instructions provided by the manufacturer and check for updates regularly.
- **Online Shopping:** If purchased online, ensure the seller complies with safety regulations applicable to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of children to avoid accidents.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates by checking the EU Safety Gate platform regularly.

Specific Safety Precautions for Use

- **Inspect Before Use:** Always inspect the scope mount for any signs of damage or wear before installation.
- **Weight Limit:** Ensure that the scope used is compatible with the mount specifications to prevent failure during use.
- **Secure Installation:** Make sure all screws are tightened securely to prevent any movement or slippage of the scope.
- **Avoid OverTightening:** Do not overtighten screws, as this can damage the mount or the scope.
- **Use Appropriate Tools:** Use the correct TORX screwdriver to ensure secure fastening of screws.
- **Environmental Conditions:** Avoid using the product in extreme environmental conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure the mounting area is clean and free of debris.

2. Installation:

- Align the scope mount base with the receiver of the firearm.
- Secure the base using the provided screws. Ensure they are tightened but avoid overtightening.
- Place the scope into the rings of the mount.
- Secure the ring caps with the TORX screws, ensuring the scope is level and properly positioned.
- Doublecheck that all screws are tightened securely.

3. Usage:

- After installation, check the alignment of the scope and make necessary adjustments.
- Always handle the firearm safely and in accordance with local laws and regulations.
- Regularly inspect the mount and scope for any signs of wear or loosening.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local waste disposal regulations.
- **Recycling:** If possible, recycle any metal components to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT BROWNING XBOLT 1" LOW MOUNTS, please refer to the manufacturer's contact information provided with your product.

By following these guidelines and instructions, you can ensure the safe use of your LIGHT WEIGHT SCOPE MOUNT BROWNING XBOLT 1" LOW MOUNTS. Thank you for your attention to safety, and enjoy your product!
