

# LIGHT WEIGHT SCOPE MOUNT - BERGARA B-14 1" LOW EXTENDED FRONT 20 MOA SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## Attributes

- Name: [BERGARA B-14 1" LOW EXTENDED FRONT 20 MOA SCOPE MOUNT](#)
- Manufacturer: [TALLEY](#)

# **LIGHT WEIGHT SCOPE MOUNT BERGARA B14 1"**

## **LOW EXTENDED FRONT 20 MOA SCOPE MOUNT**

### **Safety Instruction Guide**

#### **Introduction**

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT for your shooting needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and use.

#### **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and use.
- Regularly inspect the scope mount for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

#### **Specific Safety Precautions for Use**

- Only use the scope mount with compatible firearms as specified in the product details.
- Ensure that the scope and mount are securely attached before use to prevent accidents.
- Do not exceed the specified weight limit for the scope mount to avoid failure.
- Always handle firearms responsibly and ensure they are pointed in a safe direction when mounting or dismounting the scope.
- Wear appropriate safety gear, such as eye protection, when using firearms.

#### **Instructions for Installation and Usage**

##### **1. Preparation**

- Gather all necessary tools: TORX screwdriver and any additional tools required for your specific firearm.
- Ensure the firearm is unloaded and pointed in a safe direction.

##### **2. Installation**

- Align the scope mount with the mounting points on the firearm as per the manufacturer's specifications.
- Place the scope into the mount and adjust to the desired position.
- Secure the scope in place using the TORX screws provided. Ensure all screws are tightened evenly to avoid misalignment.
- Doublecheck the installation to ensure the scope is firmly attached and does not shift.

##### **3. Usage**

- Before use, conduct a final inspection to ensure the scope mount is secure.
- After installation, adjust the scope settings according to your shooting needs.
- Always check the mount's stability before each shooting session.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact a local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further support regarding the LIGHT WEIGHT SCOPE MOUNT, please refer to the manufacturer's website or contact your local distributor.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priority. Enjoy your shooting experience with confidence!
