

LIGHT WEIGHT SCOPE MOUNT - BERGARA PREMIER 1" MEDIUM 20 MOA 8-40 SCREWS SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

- Name: [BERGARA PREMIER 1" MEDIUM 20 MOA 8-40 SCREWS SCOPE MOUNT](#)

LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER 1" MEDIUM 20 MOA 840 SCREWS SCOPE MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER. This guide provides important safety information and instructions to ensure the safe and effective use of your scope mount. Please read this guide carefully before installation and use.

General Safety Guidelines

- Always ensure that the scope mount is compatible with your firearm before installation.
- Inspect the scope mount for any signs of damage or wear before each use.
- Store the scope mount in a dry, cool place to prevent corrosion and damage.
- Keep the scope mount out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the scope mount.
- Use caution when handling tools and screws during installation to prevent injury.
- Avoid overtightening screws, as this may damage the scope or mount.
- Regularly check the tightness of the screws, especially after heavy use or after transporting the firearm.
- If you notice any unusual movement or shifting of the scope, discontinue use immediately and inspect the mount.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools including TORX screwdrivers and any other required equipment.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Align the scope mount with the receiver of your firearm.
- Insert the provided screws into the designated holes of the mount.
- Using a TORX screwdriver, tighten each screw gradually, ensuring even pressure across the mount.
- Do not exceed the recommended torque specifications to avoid damaging the mount or firearm.

3. Usage:

- After installation, carefully attach your scope to the mount.
- Ensure the scope is securely fastened and aligned properly.
- Test the setup by checking for any movement or instability before taking the firearm to the range or field.

4. PostInstallation Checks:

- After installation, check the alignment of the scope through the mount.
- Ensure that all screws are tight and secure before use.

Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is disposed of in a manner that prevents any potential harm to the environment.

Contact Information for Further Support

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER, please refer to the manufacturer's contact information provided in the product packaging or visit their official website.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety measures.
