

LIGHT WEIGHT SCOPE MOUNT - BERGARA PREMIER 1" LOW EXT FRONT 20 MOA 8-40 SCREWS MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER 1" LOW EXT FRONT 20 MOA 840 SCREWS MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER 1" LOW EXT FRONT 20 MOA 840 SCREWS MOUNT. This product is designed to provide a secure and stable mounting solution for your scope. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the scope mount is compatible with your specific firearm model before installation.
- Inspect the scope mount for any visible damage before use. Do not use if damaged.
- Keep the product out of reach of children and unauthorized users.
- Store the scope mount in a dry and secure location when not in use.
- Follow all local laws and regulations regarding the use of firearm accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the scope mount.
- Use the appropriate tools and torque settings when installing the mount to avoid overtightening, which can damage the mount or firearm.
- Check that all screws are properly tightened before use to prevent slippage or shifting during operation.
- Do not exceed the maximum weight limit for scopes as specified in the product specifications.
- Be aware of your shooting environment and ensure that your scope is securely mounted before each use.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is unloaded and safe to handle.
- Gather the necessary tools, including a torque wrench and appropriate screwdrivers.

2. Installation:

- Align the scope mount with the mounting holes on the receiver of your firearm.
- Insert the provided TORX screws into the designated holes and handtighten them.
- Using a torque wrench, tighten the screws to the manufacturerrecommended torque settings:
 - Low .400" (10.1mm)
 - Med .500" (12.7mm)
 - High .640" (16.3mm)
 - XHigh .740" (18.8mm)
- Ensure that the scope mount is securely attached and does not move.

3. Usage:

- Once installed, mount your scope according to the manufacturer's instructions.
- Regularly check the scope mount and screws for tightness, especially after heavy use or transport.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal components.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, or to report unsafe products and accidents, please contact the manufacturer or your local authority. It is important to stay informed about safety recalls and product updates.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of the LIGHT WEIGHT SCOPE MOUNT BERGARA PREMIER 1" LOW EXT FRONT 20 MOA 840 SCREWS MOUNT. Your safety and satisfaction are our top priorities. Thank you for your attention to these important guidelines.
