

LIGHT WEIGHT SCOPE MOUNT - BROWNING A-BOLT 3 1" LOW 0 MOA SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

LIGHT WEIGHT SCOPE MOUNT BROWNING ABOLT 3 1" LOW 0 MOA SCOPE MOUNT Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT for your Browning ABolt. This guide provides important safety information, installation instructions, and general usage guidelines to ensure safe operation and optimal performance of your scope mount.

General Safety Guidelines

- **Product Safety:** Ensure that you understand the safety features of this product before use. This scope mount is designed to be safe for all nonfood applications and complies with EU safety regulations.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices. If you receive a recall notice, follow the instructions provided to remedy the situation.
- **Online Shopping:** If purchased online, ensure that the seller meets safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, ensure you have access to the appropriate EU contact point.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always inspect the scope mount for any signs of damage or wear before installation.
- Ensure that the mount is compatible with your specific scope and firearm model.
- Do not exceed the recommended weight limit of the mount.
- Use only the provided TORX screws for securing the mount to prevent failure.
- Avoid using the mount in extreme weather conditions that could affect performance.
- Ensure that the mount is securely fastened before use to prevent any accidents during operation.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including TORX screwdrivers.
- Ensure that your firearm is unloaded and pointed in a safe direction.

2. Installation:

- Align the scope mount with the receiver of your Browning ABolt.
- Place the mount onto the receiver and ensure it fits snugly.
- Using the provided TORX screws, secure the mount to the receiver. Tighten screws evenly to ensure a secure fit.
- Check the height from the bottom of the ring to the top of the receiver. Ensure it matches the specifications for Low .400" (10.1mm).

3. Scope Attachment:

- Place your scope into the rings of the mount.
- Adjust the positioning of the scope for optimal eye relief and comfort.
- Tighten the ring caps using the provided TORX screws to secure the scope in place.

4. Final Check:

- After installation, doublecheck all screws to ensure they are tightened properly.
- Conduct a visual inspection of the mount and scope for any misalignment or damage.

Disposal Instructions

- Dispose of the scope mount and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Check for recycling options for metal and plastic components where applicable.

Contact Information for Further Support

For further assistance or inquiries regarding the LIGHT WEIGHT SCOPE MOUNT, please refer to the product packaging or the retailer from which it was purchased.

Thank you for using the LIGHT WEIGHT SCOPE MOUNT for your Browning ABolt. By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your product.
