

LIGHT WEIGHT SCOPE MOUNT - WINCHESTER XPR 1" HIGH 0 MOA SCOPE MOUNT

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

LIGHT WEIGHT SCOPE MOUNT WINCHESTER XPR 1" HIGH 0 MOA SCOPE MOUNT Safety Instructions

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT for your Winchester XPR rifle. This guide provides essential safety instructions to ensure the safe and effective use of your scope mount. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the scope mount is compatible with your rifle model before installation.
- Always handle firearms and accessories with care and follow all safety protocols.
- Inspect the scope mount for any signs of damage or wear before each use.
- Store the scope mount in a cool, dry place away from direct sunlight and moisture.
- Keep the scope mount out of reach of children and unauthorized individuals.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid using the scope mount if it shows signs of damage, such as cracks or bent components.
- Do not exceed the manufacturer's recommended weight limit for scopes.
- Ensure that the scope is securely mounted to prevent it from slipping or shifting during use.
- Always check the tightness of the TORX screws before each use to ensure secure attachment.
- Use appropriate tools for installation to avoid damaging the scope mount or your rifle.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Instructions for Installation and Usage

Installation Steps

1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure that your rifle is unloaded and pointed in a safe direction.

2. Mounting the Scope:

- Align the scope mount with the receiver of your Winchester XPR rifle.
- Position the scope within the mount ensuring the tube diameter matches (1 inch).
- Secure the scope in place using the provided TORX screws. Tighten them evenly to avoid misalignment.

3. Final Checks:

- After installation, check that the scope is level and securely mounted.
- Verify that all screws are tightened to the manufacturer's specifications.

Usage Tips

- Always use the scope mount in accordance with the manufacturer's guidelines.
- Regularly check the mount and scope for any movement or loosening during use.
- Clean the scope mount periodically to maintain optimal performance.

Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- Do not dispose of the scope mount in regular household waste.
- If the mount is damaged and no longer usable, consider recycling options if available.

Contact Information for Further Support

For inquiries regarding safety or product information, please refer to the manufacturer's contact details available on the product packaging or website.

By following these safety instructions, you can ensure that your LIGHT WEIGHT SCOPE MOUNT provides reliable performance while maintaining safety for you and those around you. Thank you for your attention to these important guidelines.
