Caldwell Tac Ops IWB Covert Safety Instruction Guide

Introduction

Thank you for purchasing the Caldwell Tac Ops IWB Covert holster. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure that the holster is compatible with your handgun model to avoid any safety hazards.
- Always keep the firearm unloaded until you are ready to use it.
- Store the holster and firearm in a secure location away from children and unauthorized users.
- Regularly inspect the holster for wear and tear; replace it if any damage is found.
- Be aware of your surroundings and handle your firearm responsibly at all times.

Specific Safety Precautions for Use

- Do not use the holster with firearms that exceed the specified size and weight limits.
- Ensure the trigger guard retention lock is fully engaged when the firearm is holstered.
- Avoid drawing the firearm in crowded or confined spaces to prevent accidental discharge.
- Always point the firearm in a safe direction when drawing from the holster.
- If you experience any difficulty with the holster, cease use immediately and consult a professional.

Instructions for Installation and Usage

1. Installation:

- Identify the belt clip position that best suits your carry preference.
- Secure the holster to your belt by sliding the clip over the belt and ensuring it is firmly in place.

2. Usage:

- To holster the firearm, ensure it is unloaded and pointed in a safe direction.
- Insert the firearm into the holster, ensuring that the trigger guard is fully engaged with the retention lock.
- To draw the firearm, release the retention lock and smoothly pull the firearm from the holster while maintaining a safe direction.

Disposal Instructions

- When disposing of the holster, ensure it is done in a manner that prevents it from being used by unauthorized individuals.
- Check local regulations for proper disposal methods of polymer materials.
