

Mag Charger AK 7.62x39

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Magazine Speedloaders](#)

Caldwell® brings the same revolutionizing ammo loading process of the AR-15 Mag Charger™ to the AK Platform. Introducing the AK (7.62×39) Mag Charger™! Designed to hold 50 rounds from any common 50 round ammo box or 50 round manufacturers box. Align the bullet tips in the 50 round box with holes in the Mag Charger and dump them in. Specially designed indexing tabs align all the rounds in the loader at the same time. No more need to handle each around. Then simply insert your AK magazine into Mag Charger™, operate the plunger back and forth and with each stroke you will load 5 rounds until the magazine is full. Now you can load 50 rounds into 2 AK magazines in less than 15 Seconds! Highly durable polycarbonate construction.

Caldwell Mag Charger AK 7.62x39 Safety Instructions

Introduction

Thank you for choosing the Caldwell Mag Charger AK 7.62x39. This product is designed to enhance the efficiency of loading ammunition into your AK magazines. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

General Safety Guidelines

- Always handle ammunition and firearms responsibly and in accordance with local laws and regulations.
- Keep the Mag Charger out of reach of children and unauthorized users.
- Inspect the Mag Charger before each use. Do not use if damaged.
- Use only with 7.62x39 ammunition. Using incompatible ammunition may cause malfunctions or safety hazards.
- Store the Mag Charger in a cool, dry place away from direct sunlight and moisture.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the area around you is clear of bystanders before loading ammunition.
- Always point the magazine away from yourself and others when using the Mag Charger.
- Do not attempt to load more than 50 rounds at a time.
- Avoid overfilling the magazine, which can cause malfunctions.
- Do not force the plunger if it does not move smoothly; check for jams or obstructions.
- Be aware of the potential for accidental discharge when handling firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure the Mag Charger is clean and free from debris.
- Gather your 50round ammo box containing 7.62x39 ammunition.

2. Loading the Mag Charger

- Align the bullet tips of the ammunition in the 50round box with the holes in the Mag Charger.
- Carefully dump the rounds into the Mag Charger, ensuring they are seated properly.

3. Loading the Magazine

- Insert your AK magazine into the Mag Charger.
- Operate the plunger back and forth. Each stroke will load 5 rounds into the magazine.
- Continue this process until the magazine is full.

4. Completion

- After loading, remove the magazine from the Mag Charger.
- Store any remaining ammunition safely and securely.

Disposal Instructions

- Dispose of the Mag Charger in accordance with local regulations for plastic products.
- Ensure that no ammunition is left in the Mag Charger before disposal.
- Do not incinerate or expose the Mag Charger to extreme heat.

Contact Information for Further Support

For any questions or concerns regarding the Caldwell Mag Charger AK 7.62x39, please refer to the manufacturer's contact information, which can be found on the packaging or the official website.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with your Caldwell Mag Charger AK 7.62x39. Always prioritize safety when handling ammunition and firearms. Thank you for your attention to these important guidelines.
