[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! - the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design - no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers - two on the triggerfinger - ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

## **Important notice:**

**The gloves are very tightly cut, but will adapt to the hand of the wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.**

**Please take a look at the size chart for PIG gloves sizes!**

# PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Safety Instructions

## Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Gloves. These gloves are designed for tactical shooting and provide enhanced dexterity and comfort. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that the gloves fit properly. They are designed to adapt to the hands of the wearer, but it is advisable to wear them a little in everyday life before using them for shooting.
- Always inspect the gloves for any damage or wear before use. Do not use if there are any signs of damage.
- Keep the gloves away from sharp objects and extreme heat sources to prevent damage.
- Avoid using the gloves in situations where they may become entangled or caught in machinery.
- Store the gloves in a cool, dry place away from direct sunlight when not in use.

## Specific Safety Precautions for Use

- The gloves are designed with a singlegrip layer for better grip. Ensure that you are comfortable with the grip before engaging in tactical activities.
- The fingertips of the gloves are made from touchscreen compatible material. Be cautious when using touchscreen devices to avoid distractions.
- Be aware that the gloves are tightly cut; they may feel snug initially but will adapt to your hand shape over time.
- The gloves feature a flat Velcro fastener on the inside. Ensure that it is secured properly to avoid any potential snagging.
- The enhanced material on the hand edges and over the knuckles provides additional protection. However, these gloves are not designed for heavyduty protection against extreme hazards.

## Instructions for Installation and Usage

### 1. Wearing the Gloves:

- Ensure your hands are clean and dry before putting on the gloves.
- Slide your hand into the glove, ensuring that your fingers fit comfortably into the finger slots.
- Adjust the Velcro fastener on the wrist for a secure fit.

### 2. Using the Gloves:

- When using the gloves for shooting or tactical activities, ensure that you maintain a proper grip on your equipment.
- If using a touchscreen device, gently tap the screen with the compatible fingertips.

### 3. PostUse Care:

- After use, remove the gloves and inspect them for any signs of wear or damage.
- Clean the gloves according to the manufacturer's instructions to maintain their condition.

## Disposal Instructions

- When the gloves reach the end of their usable life or if they are damaged beyond repair, dispose of them responsibly.
- Check local regulations for proper disposal methods, especially if the gloves are made from synthetic materials.

## Contact Information for Further Support

For any inquiries regarding the safety of the PIG FDT Alpha Gloves, please refer to the manufacturer's contact details provided on the packaging or product insert.

## Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your PIG Full Dexterity Tactical (FDT) Alpha Touch Gloves. Always prioritize safety and remain aware of your surroundings while using the gloves in tactical situations. Thank you for your attention to these guidelines, and enjoy your product!
