[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! - the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

AVAILABLE

The most important features:

- Single Layer Design - no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers - two on the triggerfinger - ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

## **Important notice:**

**The gloves are very tightly cut, but will adapt to the hand of the wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.**

**Please take a look at the size chart for PIG gloves sizes!**

# PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Safety Instructions

## Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam. These gloves are designed for tactical shooting and are made from highquality materials to ensure flexibility and comfort. This safety instruction guide provides essential information to ensure the safe use of the gloves, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the gloves by following the guidelines outlined in this document. The gloves are designed to minimize risks associated with tactical shooting.
- **Enhanced Recalls:** Stay informed about any recall notices related to the gloves. If a recall occurs, follow the instructions provided for remedy options.
- **Online Shopping:** When purchasing online, ensure that you buy from authorized retailers that comply with safety requirements.
- **Special Consumer Focus:** These gloves are not intended for children. Ensure that they are used only by individuals who can handle tactical equipment safely.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU contact point as indicated by the retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

## Specific Safety Precautions for Use

- **Fit and Comfort:** The gloves are tightly cut to ensure a snug fit. It is recommended to wear them for a short period in everyday situations before using them for tactical shooting to ensure they adapt to your hands.
- **Touchscreen Compatibility:** The gloves feature touchscreencompatible fingertips. Ensure that the gloves are properly fitted to maintain functionality while using touchscreen devices.
- **Material Sensitivity:** Be aware that the gloves are made from specialized materials. Avoid exposure to harsh chemicals that could damage the gloves.
- **Movement Restrictions:** Although designed for flexibility, ensure that your movements are not restricted when wearing the gloves. Always test your range of motion before engaging in tactical activities.

## Instructions for Installation and Usage

- **Wearing the Gloves:**
  - Ensure that your hands are clean and dry before putting on the gloves.
  - Slide your hands into the gloves, ensuring that the fingers fit snugly without excessive tightness.
  - Adjust the velcro fastener on the inside for a secure fit.
- **Using the Gloves:**
  - When using the gloves for shooting, ensure that your grip is firm and comfortable.
  - Utilize the enhanced material on the fingertips for better control of the trigger.
  - If using a touchscreen device, ensure that the fingertips make proper contact with the screen for effective operation.
- **PostUse Care:**
  - After use, remove the gloves carefully to avoid damaging them.
  - Store the gloves in a cool, dry place away from direct sunlight to maintain their integrity.

## Disposal Instructions

- **End of Life Disposal:** When the gloves reach the end of their usable life, dispose of them in accordance with local waste disposal regulations.
- **Recycling:** If applicable, consider recycling the gloves to minimize environmental impact. Check local guidelines for recycling materials.

## Contact Information for Further Support

For any questions or concerns regarding the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam, please refer to the retailer or manufacturer for support.
