

# **PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam - SKD TACTICAL PIG Full Dexterity Tactical (FDT) Alpha Touch Glove - Multicam - XL**

[Shooting Accessories](#) > [Apparel](#) > [Accessories](#) > [Gloves](#)

Made from Experts for Experts, this is how high class products emerge, just like the PIG FDT Alpha. These Gloves were specially made and optimized for tactical shooting. Through the extra thin and tactical Design, the gloves are being used by sport shooters and special forces all over the USA.

And should your phone ring sometime while wearing the gloves, that's no problem! - the fingertips of the thumb and the triggerfinger are made out of touchscreen compatible material. Thanks to the mix of high quality materials, the PIG FDT Alpha Gloves enhanced and optimized on every critical point, but nonetheless they are most flexible and comfortable. The Design of the gloves will always adapt to the hands of its wearer and therefore grants unrestricted freedom of movement.

The most important features:

- Single Layer Design - no doubled material in the palm area, for better grip.
- Especially thin material on the tip of the triggerfinger, for perfect control of the trigger.
- Very flat velcro fastener on the inside, so you won't get stuck somewhere.
- Flex-Insoles on the back of the fingers - two on the triggerfinger - ensure unrestricted movement.
- Paracord loop so you can hang up the gloves.
- Enhanced material on the hand edges and over the knuckles.
- Touchscreen compatible thumb and indexfinger.

## **Important notice:**

**The gloves are very tightly cut, but will adapt to the hand of the wearer. We recommend you to wear the gloves a little in everyday life before shooting, so they fit you perfectly.**

**Please take a look at the size chart for PIG gloves sizes!**

# PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam Safety Instructions

## Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam. This guide provides important safety instructions and guidelines to ensure the proper use and maintenance of your gloves. Please read this document carefully before using the product to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Ensure that the gloves fit properly. The gloves are designed to be tightly cut and will adapt to the hand of the wearer over time. It is recommended to wear the gloves in everyday situations before using them for tactical shooting.
- Always check the gloves for any signs of damage or wear before use. If you notice any defects, discontinue use immediately.
- Keep the gloves away from sharp objects and extreme heat to avoid damage.
- Do not use the gloves for activities other than their intended purpose, such as heavy lifting or construction work.
- Avoid exposing the gloves to harsh chemicals or solvents that may damage the material.
- Store the gloves in a cool, dry place when not in use.

## Specific Safety Precautions for Use

- The gloves are made from a single layer design, providing better grip but may not provide full protection against cuts or abrasions. Exercise caution when handling sharp objects.
- The fingertips of the thumb and trigger finger are made from touchscreen-compatible material. Ensure that the gloves are clean to maintain touchscreen functionality.
- The gloves feature a very flat Velcro fastener on the inside. Ensure that the fastener is securely closed to prevent the gloves from slipping off during use.
- The gloves have flexinsoles on the back of the fingers, which allow for unrestricted movement. Be aware of your surroundings to avoid catching the gloves on objects.
- The gloves are designed for tactical shooting and may not be suitable for all sports or activities. Use them only for their intended purpose.

## Instructions for Installation and Usage

### 1. Fitting the Gloves

- Put on the gloves and ensure that they fit snugly around your fingers and palm.
- Adjust the Velcro fastener to secure the gloves in place.

### 2. Using the Gloves

- Use the gloves for tactical shooting, ensuring that your grip on the firearm is secure.
- If you need to use your phone or other touchscreen devices, simply use the fingertips of the thumb and trigger finger.

### 3. Caring for the Gloves

- Clean the gloves with a damp cloth after use to remove dirt or debris.
- Allow the gloves to air dry completely before storing them.
- Do not machine wash or tumble dry the gloves.

## **Disposal Instructions**

- When the gloves reach the end of their useful life or are damaged beyond repair, dispose of them in accordance with your local waste disposal regulations.
- If the gloves are made from materials that can be recycled, please consider recycling them.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam, please refer to the manufacturer's contact information provided with your purchase.

## **Conclusion**

Following these safety instructions will help ensure your safety while using the PIG Full Dexterity Tactical (FDT) Alpha Touch Glove Multicam. Always prioritize safety and proper use to maximize the benefits of this highquality tactical glove. Thank you for your attention, and enjoy your experience with the product!
