Safety Instruction Guide for PIG Full Dexterity Tactical (FDT) Delta Utility Glove Black

Introduction

Thank you for choosing the PIG Full Dexterity Tactical (FDT) Delta Utility Glove Black. This safety instruction guide is designed to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read the instructions carefully to maximize your safety and the functionality of the gloves.

General Safety Guidelines

- Ensure that the gloves are the correct size for your hands. Refer to the size chart for accurate measurements.
- Inspect the gloves for any signs of damage or wear before each use. Do not use if damaged.
- Keep the gloves away from sharp objects and extreme heat sources to prevent material degradation.
- Store the gloves in a cool, dry place when not in use.
- Avoid using the gloves in hazardous environments where additional protective gear is required.

Specific Safety Precautions for Use

- The gloves are designed for tactical and utility use. Ensure they are suitable for your intended application.
- Be aware that the gloves provide limited protection against cuts and punctures. Exercise caution when handling sharp objects.
- The touchscreen compatibility feature allows for smartphone use; however, be cautious of potential distractions while operating devices.
- These gloves are not intended for use by children or individuals who may misuse them. Ensure they are used only by responsible adults.
- If you experience any discomfort or allergic reactions while using the gloves, discontinue use immediately and consult a medical professional.

Instructions for Installation and Usage

1. Wearing the Gloves:

- Slip the gloves onto your hands, ensuring a snug fit. The gloves are designed to adapt to your hand shape over time.
- Adjust the gloves to ensure that fingers are comfortably positioned without excess material.

2. Using the Touchscreen Feature:

- The gloves feature special insoles in the thumb and index finger for touchscreen compatibility. Use these fingers to operate your smartphone or other devices.
- Ensure that the device screen is clean for optimal responsiveness.

3. Caring for the Gloves:

- Clean the gloves with a damp cloth to remove dirt and debris. Avoid using harsh chemicals that may damage the material.
- Allow the gloves to air dry completely before storing them. Do not use direct heat sources for drying.

Disposal Instructions

- When the gloves reach the end of their life or are no longer usable, dispose of them in accordance with local waste management regulations.
- If possible, recycle the gloves to minimize environmental impact. Check for recycling programs in your area that accept textile materials.
