

# LSS Gen 2 Chassis System Savage Axis SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT. Original recoil lug required.

# Safety Instruction Guide for MDT LSS Gen 2 Chassis System Savage

## Introduction

Thank you for purchasing the MDT LSS Gen 2 Chassis System for your Savage Axis SA RH rifle. This guide provides essential safety instructions to ensure the safe and effective use of your new chassis system. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is suitable for your specific firearm model.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the chassis system and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Use only compatible accessories and components as specified by the manufacturer.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Stay informed about any recall updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or making adjustments to the chassis system.
- Use protective eyewear when handling or modifying firearms.
- Avoid using the chassis system in adverse weather conditions that may affect performance or safety.
- Do not exceed the manufacturer's recommended weight limit for accessories mounted on the chassis.
- Ensure that the folding stock adapter is properly secured before use.
- Be aware of your surroundings when handling and using firearms.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a torque wrench.
2. **Remove Existing Stock:** Carefully remove the existing stock from your Savage Axis rifle.
3. **Install the Chassis System:**
  - Align the recoil lug with the receiver.
  - Secure the chassis using the original screws and torque to the manufacturer's specifications.
4. **Attach Pistol Grip:** Install the pistol grip as per the manufacturer's instructions.
5. **Install the Buffer Tube and Buttstock:**
  - Attach the buffer tube to the rear of the chassis.
  - Secure the AR carbinestyle buttstock to the buffer tube.
6. **Check Stability:** Ensure all components are securely fastened and there is no movement.

### Usage

- Ensure the firearm is always pointed in a safe direction.
- Engage the safety mechanism when not in use.
- Familiarize yourself with the operation of the chassis system before live firing.
- Regularly clean and maintain the chassis to ensure optimal performance.

## Disposal Instructions

- Dispose of packaging materials responsibly and in accordance with local waste disposal regulations.

- If the chassis system is no longer in use, consider recycling or disposing of it at a designated collection point for electronic waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please consult the manufacturer's website or your local authorized dealer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Always prioritize safety and responsible firearm handling.
