

LSS Gen 2 Chassis System Tikka T3, T3x SA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

MDT LSS Gen 2 Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Tikka T3, T3x rifle. This guide provides important safety information, installation instructions, and usage guidelines to ensure your product is used safely and effectively. Please read this guide carefully before using your chassis system.

General Safety Guidelines

- Ensure you are familiar with the operation of your firearm and the chassis system before use.
- Always treat your firearm as if it is loaded.
- Keep the chassis system and firearm out of reach of children and unauthorized users.
- Inspect the chassis system regularly for any signs of wear or damage.
- Use only compatible components as specified in this guide.
- Always wear appropriate safety gear, including eye protection, when using firearms.
- Follow local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be aware of potential hazards when using the chassis system, including:
 - Improper installation may lead to firearm malfunctions.
 - Using incompatible parts can compromise safety and performance.
- **Age Restrictions:** This product is intended for use by individuals who are legally permitted to handle firearms. Ensure that all users are of appropriate age and experience.
- **Proper Handling:** Always handle the chassis system and firearm in a safe manner. Keep the muzzle pointed in a safe direction at all times.

Instructions for Installation and Usage

1. Installation:

- Gather all necessary tools and components, including the chassis system, AR carbinestyle buttstock, buffer tube, castle nut, and pistol grip.
- Follow the manufacturer's instructions for installing the buttstock and buffer tube onto the chassis system.
- Ensure that all components are securely fastened and that there is no play in the assembly.
- If using a folding stock adapter, follow the specific instructions provided with that component.
- Confirm that the chassis system is compatible with AICStype detachable magazines.

2. Usage:

- Before using the chassis system, ensure that your firearm is unloaded and pointed in a safe direction.
- Familiarize yourself with the operation of the chassis system and ensure that it is properly installed.
- Always use the chassis system in conjunction with the appropriate firearm and ammunition.
- Regularly check the chassis system for any signs of wear, damage, or loosening of parts.

Disposal Instructions

- Dispose of packaging materials in accordance with local regulations.
- If the chassis system or any components become damaged beyond repair, dispose of them responsibly, ensuring they do not pose a hazard to others.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or contact your authorized dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is paramount when handling firearms and related equipment. Enjoy your MDT LSS Gen 2 Chassis System responsibly.
