

# LSS Gen 2 Chassis System Tikka T3, T3x SA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Tikka T3, T3x

## Safety Instruction Guide

### Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Tikka T3 or T3x rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your chassis system. Please read this guide carefully before installation and use.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow local laws and regulations regarding firearm usage and modifications.
- Keep the chassis system out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

### Specific Safety Precautions for Use

- Use only compatible AR carbinestyle buttstocks and buffer tubes with this chassis system.
- Ensure that the castle nut and pistol grip are properly installed and secured before use.
- When using a folding stock adapter, ensure it is compatible with your chassis system.
- Always use AICStype detachable magazines as specified.
- Avoid using the chassis system in extreme weather conditions that may affect its performance.
- Handle all firearms with care, following the basic rules of firearm safety.

### Instructions for Installation and Usage

#### 1. Preparation

- Gather all necessary tools and components before starting the installation.
- Ensure that your work area is clean and free from distractions.

#### 2. Installation Steps

- Remove the existing stock from your Tikka T3 or T3x rifle.
- Install the MDT LSS Gen 2 Chassis System by following these steps:
  - Align the action of the rifle with the chassis.
  - Secure the action using the provided screws.
  - Install the castle nut and pistol grip, ensuring they are tight and secure.
  - If using a folding stock adapter, attach it according to the manufacturer's instructions.
- Insert the AICStype detachable magazine into the chassis.

#### 3. Usage Guidelines

- Always check that the rifle is unloaded before handling or making adjustments.
- Familiarize yourself with the controls and features of the chassis system.
- Practice safe handling techniques at all times.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local waste management regulations.
- If the chassis is damaged or no longer usable, consider recycling the aluminum material where facilities exist.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For additional support or inquiries, please contact your local retailer or manufacturer. Ensure you have your product details ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of your MDT LSS Gen 2 Chassis System. Thank you for prioritizing safety and compliance with EU regulations.
