

# LSS Gen 2 Chassis System Tikka T3, T3x LA RH Black

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines, MDT 3.560" long for Long Action Tikka. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Tikka T3, T3x rifle. This guide provides essential safety instructions to ensure the safe use of the chassis system. Please read and follow these instructions carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the chassis system is installed correctly and securely before use.
- Always handle firearms with care and follow basic firearm safety rules.
- Keep the chassis system and all related components out of reach of children and unauthorized users.
- Regularly inspect the chassis system for any signs of wear or damage.
- Do not modify the chassis system in any way that may compromise its safety or performance.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always use the chassis system in a safe and controlled environment.
- Ensure that the firearm is unloaded before installing or handling the chassis system.
- Use only compatible AR carbinestyle buttstocks and buffer tubes as specified by the manufacturer.
- Verify that the folding stock adapter is properly secured when in use.
- Use AICStype detachable magazines only, and ensure they are properly seated before use.
- Avoid using the chassis system with any accessories or attachments that are not recommended by the manufacturer.

## Instructions for Installation and Usage

### 1. Installation of the Chassis System:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your Tikka T3, T3x rifle.
- Align the chassis system with the action of the rifle.
- Secure the chassis system in place using the provided screws and tools.
- Install the castle nut and pistol grip as needed.

### 2. Usage:

- Attach the AR carbinestyle buttstock to the chassis system.
- Ensure that the folding stock adapter is in the correct position before use.
- Load the AICStype detachable magazine and ensure it is properly seated.
- Always check the firearm for proper function before each use.

### 3. PostUse Care:

- After use, clean and inspect the chassis system for any signs of wear or damage.
- Store the chassis system and firearm in a safe location, away from unauthorized users.

## Disposal Instructions

- Dispose of any damaged or worn components of the chassis system in accordance with local regulations.
- Do not dispose of the chassis system or its components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's website or customer service resources. Always ensure that you are following the latest safety guidelines and product updates.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MDT LSS Gen 2 Chassis System. Thank you for your attention to safety and for choosing our product.
