

# LSS Gen 2 Chassis System Tikka T3, T3x LA RH FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

LSS Gen 2 Chassis System is lightweight and compact, uses AR carbine-style buttstocks and buffer tubes. Castle nut and pistol grip also needed. Folding stock adapter available. Uses AICS -type detachable magazines, MDT 3.560" long for Long Action Tikka. This chassis was designed for short barreled rifles, with a short forend and minimum weight. It still offers the same benefits in accuracy and ergonomics, and is also the most economical chassis from MDT.

# MDT LSS Gen 2 Chassis System Safety Instructions

## Introduction

Thank you for choosing the MDT LSS Gen 2 Chassis System for your Tikka T3, T3x rifle. This guide provides essential safety instructions to ensure the proper use and handling of your chassis system. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the chassis system.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use the chassis system only with compatible firearms as specified by the manufacturer.
- Inspect the chassis system regularly for any signs of wear or damage before use.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Keep the chassis system and all firearms out of reach of children and unauthorized users.
- If you experience any malfunction or issue with the chassis system, cease use immediately and consult a qualified gunsmith or the manufacturer.

## Specific Safety Precautions for Use

- Ensure that the buttstock and buffer tube are securely attached before use.
- Use only AICStyle detachable magazines that are compatible with the MDT LSS Gen 2 Chassis System.
- Do not exceed the weight limit specified by the manufacturer for accessories mounted on the chassis.
- Be cautious when using the folding stock adapter; ensure it is locked in place before firing.
- Avoid using the chassis system in extreme weather conditions that could affect performance.
- If using the chassis for shortbarreled rifles, ensure that the configuration complies with local regulations.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Gather all necessary tools, including a wrench for the castle nut and a screwdriver for the pistol grip.
- Ensure you have a clear workspace free of obstructions.

#### 2. Remove Existing Stock:

- Unload the firearm and ensure it is clear.
- Remove the existing stock from the Tikka T3, T3x rifle by unscrewing the castle nut.

#### 3. Attach the Chassis:

- Align the MDT LSS Gen 2 Chassis System with the receiver of the rifle.
- Secure the chassis by tightening the castle nut until it is snug, but do not overtighten.

#### 4. Install the Pistol Grip:

- Attach the pistol grip to the chassis using the provided screws.
- Ensure the grip is firmly secured.

## 5. **Folding Stock Adapter (if applicable):**

- If using a folding stock adapter, attach it according to the manufacturer's instructions.
- Verify that the adapter is locked in place before use.

## 6. **Final Inspection:**

- Doublecheck all connections and ensure everything is secure before proceeding to use the firearm.

## **Usage Instructions**

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Use proper shooting techniques and maintain control of the firearm at all times.
- If you experience any issues while using the chassis system, stop using the firearm and seek assistance.

## **Disposal Instructions**

- Dispose of the chassis system in accordance with local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Check with local authorities for designated disposal sites or recycling programs for firearmrelated products.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MDT LSS Gen 2 Chassis System, please refer to the manufacturer's official website or customer support channels. It is important to have access to assistance for safety and operational guidance.

By following these safety instructions, you can ensure the safe and effective use of your MDT LSS Gen 2 Chassis System. Thank you for prioritizing safety while enjoying your shooting experience.
