

ESS Chassis Base Howa 1500 - ESS Chassis Base-Howa 1500 SA-Right Handed-ESS Cerakote Burnt Bronze

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Howa 1500 rifle. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis base to familiarize yourself with the necessary precautions and procedures.

General Safety Guidelines

- Always handle firearms with care and in accordance with the manufacturer's safety guidelines.
- Ensure that the chassis base is compatible with your specific rifle model before installation.
- Inspect the chassis base for any signs of damage or defects before use. Do not use if damaged.
- Store the chassis base in a secure location, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Use only recommended accessories and components to avoid compromising safety and functionality.
- Regularly check for updates regarding product recalls or safety notices through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or making adjustments to the chassis base.
- Use protective eyewear when handling tools or performing installations.
- Be aware of your surroundings and ensure that your area is safe and secure when using the rifle.
- Do not exceed the weight limits specified for the forend and stock attachments.
- Always ensure that the forend and stock are securely attached before using the rifle.
- Be cautious of sharp edges during installation and handling of the chassis base.
- If you are unsure about any aspect of the installation or usage, consult a qualified gunsmith or professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components required for installation.
- Ensure a clean and well-lit workspace.

2. Installation of the Chassis Base

- Remove the action from your Howa 1500 rifle according to the manufacturer's instructions.
- Place the chassis base on a stable surface.
- Align the action with the chassis base and secure it using the provided screws and tools.
- Ensure that all screws are tightened to the manufacturer's specifications.

3. Attaching the Forend

- Select the desired forend length (12", 15", or 18").
- Align the forend with the chassis base rail.
- Secure the forend using the provided mounting hardware, ensuring it is firmly attached.

4. Attaching the Stock

- Choose your preferred stock option (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock).

- Follow the specific instructions for attaching the chosen stock to the chassis base.
- Ensure that the stock is securely fastened and operates correctly.

5. Final Checks

- Inspect the entire assembly to ensure all components are securely attached.
- Perform a function check to ensure smooth operation of the rifle.
- Store the rifle in a safe location when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- If you need to dispose of the chassis base or any components, check with local waste management authorities for proper disposal methods.
- Do not dispose of any parts in a manner that could harm the environment or pose a risk to others.

Contact Information for Further Support

For further assistance, please refer to the manufacturer's website or contact customer support through the appropriate channels. It is important to have access to professional guidance for any questions or concerns regarding the MDT ESS Chassis Base.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Thank you for your attention to safety and responsible firearm usage.
