

# ESS Chassis Base Howa 1500 - ESS Chassis Base-Howa 1500 SA-Right Handed-ESS Cerakote Tactical Gray

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

# MDT ESS Chassis Base Safety Instructions

## Introduction

Thank you for choosing the MDT ESS Chassis Base for your Howa 1500 rifle. This guide provides essential safety instructions to ensure your safe use of the product. Please read and follow these instructions carefully to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always handle firearms with care and follow standard firearm safety rules.
- Keep the chassis and all components out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Do not modify the chassis or its components in any way that is not approved by the manufacturer.
- If you experience any issues with the chassis, cease use immediately and consult a qualified professional.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attaching or detaching the chassis.
- Use only compatible forends and stocks as specified by the manufacturer.
- Ensure that all screws and fittings are tightened properly before use to prevent any accidents.
- Avoid using the chassis in extreme weather conditions that may affect performance and safety.
- When using the MLOK slots and QD flush cup mounts, ensure that accessories are securely attached to prevent detachment during use.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm mounted with the chassis.

## Instructions for Installation and Usage

### 1. Installation of the Chassis Base:

- Ensure that your firearm is completely unloaded.
- Remove the original stock from your Howa 1500 rifle according to the manufacturer's instructions.
- Align the chassis base with the action of your rifle.
- Securely attach the chassis base using the provided screws, ensuring they are tightened to the manufacturer's specifications.

### 2. Attaching the Forend:

- Select the desired forend length (12", 15", or 18").
- Align the forend with the chassis base and ensure it fits properly.
- Secure the forend to the chassis base using the provided mounting hardware.

### 3. Installing the Stock:

- Choose your preferred stock option (Skeleton Rifle stock, Folding Rifle Stock, or Skeleton Carbine Stock).
- Attach the stock to the rear of the chassis base, ensuring it is securely fastened.

### 4. Final Checks:

- Inspect the entire assembly to ensure all components are securely attached.
- Conduct a function check to ensure the rifle operates correctly with the new chassis.

- Store the rifle in a safe manner when not in use.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local regulations.
- If the chassis or any components are damaged beyond use, consult local waste management guidelines for disposal.
- Do not throw away the chassis in regular household waste. Instead, seek out recycling options that comply with local environmental regulations.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information provided in the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Always prioritize safety when handling firearms and their components. Thank you for your attention to these important guidelines.
