

ESS Chassis Base Howa 1500 - ESS Chassis Base-Howa 1500 LA-Right Handed-Cerakote FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Now you can make your own ESS Chassis, just select a Chassis Base here and add Forend and Stock of your choice! ESS Forends are offered in 3 different lengths, 12", 15" and 18", and can be ordered with a full rail, partial rail, or no rail with cut-outs to allow low scope mounting. Each forend comes with M-LOK slots and QD flush cup mounts. Action-specific scope mounting rails which co-index with the forend rail are available as an accessory. Stock options are the standard Skeleton Rifle stock for ESS, the Folding Rifle Stock for ESS, or the Skeleton Carbine Stock with the use of the ESS to Carbine Adapter.

MDT ESS Chassis Base Safety Instruction Guide

Introduction

Thank you for choosing the MDT ESS Chassis Base for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the chassis base and keep it for future reference.

General Safety Guidelines

- Ensure that all components are compatible with your specific rifle model.
- Always handle firearms with care and follow standard firearm safety practices.
- Inspect the chassis base and all accessories for damage before use.
- Store the chassis and all related components in a safe, dry place away from children and unauthorized users.
- Be aware of your surroundings while using the chassis base, especially when handling firearms.

Specific Safety Precautions for Use

- Use the chassis base only with the specified rifle model (Howa 1500).
- Ensure that the rifle is unloaded before installing or removing the chassis base.
- Follow the manufacturer's instructions for installation and usage to avoid accidents.
- Do not exceed the manufacturer's weight limits for accessories attached to the chassis.
- If you notice any unusual behavior or performance issues, discontinue use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather all necessary tools and components for installation.

2. Remove the Existing Stock

- Unscrew and detach the existing stock from the rifle action.
- Keep all screws and components in a safe place for future use.

3. Attach the Chassis Base

- Align the chassis base with the rifle action.
- Securely fasten the screws provided with the chassis base to ensure a tight fit.

4. Install the Forend and Stock

- Select your preferred forend length (12", 15", or 18") and attach it to the chassis base.
- Choose the desired stock (Skeleton Rifle stock, Folding Rifle stock, or Skeleton Carbine Stock) and attach it according to the manufacturer's instructions.

5. Final Checks

- Ensure all components are securely attached.
- Perform a visual inspection to confirm proper installation.

Usage Instructions

- Always ensure the rifle is unloaded before handling or transporting.
- Use the chassis base for its intended purpose only—modifying or altering it may compromise safety.
- Regularly check for wear and tear on the chassis and its components.
- Follow all local laws and regulations regarding firearm usage.

Disposal Instructions

- Dispose of the chassis base and any components responsibly, following local regulations for electronic and metal waste.
- If the product is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT ESS Chassis Base, please consult the manufacturer's website or customer support resources. It is important to have access to reliable information for safe usage.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT ESS Chassis Base. Should you have any questions or require further assistance, do not hesitate to seek support from knowledgeable sources. Thank you for your attention to these safety instructions.
