Safety Instruction Guide for TRIEBEL Seaterheads

Introduction

Thank you for choosing the TRIEBEL Seaterhead Caliber 7,62/.300. This product is designed to enhance your reloading experience with safety and efficiency. Please read this safety instruction guide carefully to ensure proper use and to maximize safety.

General Safety Guidelines

- Always handle the Seaterhead with care, as it is designed for precision tasks.
- Ensure that you are familiar with the operation of your reloading equipment before using this accessory.
- Keep the Seaterhead and all reloading tools out of reach of children and vulnerable individuals.
- Regularly inspect the Seaterhead for signs of wear or damage. Do not use if damaged.
- Follow all relevant local laws and regulations regarding reloading and ammunition.

Specific Safety Precautions for Use

- Use only with compatible crimp and benchrestseaters from Triebel.
- Ensure that the Seaterhead is securely attached to the reloading press before use.
- Do not exceed the recommended caliber specifications when using this product.
- Always wear appropriate safety gear, including eye protection, when reloading.
- Keep your workspace clean and organized to prevent accidents.
- Do not leave the Seaterhead unattended while in use.

Instructions for Installation and Usage

1. Installation

- Ensure the reloading press is unplugged or in a safe state before installation.
- Remove any existing Seaterheads from the press.
- Align the TRIEBEL Seaterhead with the press and securely attach it according to the manufacturer's instructions.
- Doublecheck that the Seaterhead is firmly in place before proceeding.

2. Usage

- Prepare your workspace by ensuring all necessary tools and materials are within reach.
- Follow the reloading manual for your specific press to load ammunition safely.
- After each use, clean the Seaterhead to prevent residue buildup.
- Store the Seaterhead in a safe, dry location when not in use.

Disposal Instructions

- Dispose of the Seaterhead according to local regulations for metal products.
- If the Seaterhead is damaged or no longer usable, do not attempt to repair it. Dispose of it safely to prevent accidents.

Contact Information for Further Support

For any questions or concerns regarding the TRIEBEL Seaterhead, please refer to the manufacturer's manual or contact the relevant support channels.

By following these safety instructions, you can ensure a safer and more enjoyable reloading experience with

your TRIEBEL Seaterhead. Stay safe and enjoy your reloading activities responsibly.
