

CKYE-POD Gen2 Bipods - MDT CKYE-POD Gen2 Bipod, RRS BTC Mount - PRS Legs

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

If you're a hunter or a match shooter looking for a game-changing piece of gear, look no further than the MDT Bipod. Quality craftsmanship and fast, simple, one-handed adjustments make this bipod the ultimate platform for stability and versatility.

The MDT CKYE-POD Gen2 was developed for the competitive shooter with a focus on strength, single handed operation and versatile configurations.

This bipod is a true work of art, featuring 3 locking positions from front to back - stowed, angled and down.

MDT CKYE-POD Gen2 is in a league of its own with quick single-handed adjustable height, allowing you to achieve from 4.5" to 15.5" (standard leg length model), paired with 170 degrees of cant, 360 degrees of pan capability (sling swivel stud version does not pan), and an integrated barricade stop. Mix and match the independent leg heights and angles to create the perfect shooting position, every time.

The MDT CKYE-POD Gen2 comes standard with it's own spiked foot/claw for ultimate traction on any surface.

However, if you prefer rubber feet, the MDT CKYE-POD Gen2 Standard and PRS Short legs will accept any Atlas style feet.

Safety Instruction Guide for MDT CKYEPOD Gen2 Bipods

Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your bipod. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the bipod is used only for its intended purpose.
- Always inspect the bipod for any damage or wear before use.
- Keep the bipod out of reach of children and vulnerable individuals.
- Do not exceed the weight limit specified by the manufacturer.
- Use the bipod on stable surfaces to prevent tipping or instability.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the bipod is securely deployed before using it for shooting.
- Be cautious when adjusting leg heights; ensure your fingers are clear of moving parts.
- When using the bipod with spiked feet, ensure that the spikes are fully deployed and secure.
- Avoid using the bipod in wet or slippery conditions unless it is equipped with appropriate rubber feet.
- Do not attempt to modify or repair the bipod yourself; contact a qualified technician for assistance.
- Always store the bipod in a dry place when not in use to prevent corrosion and wear.

Instructions for Installation and Usage

1. Unpacking the Bipod:

- Carefully remove the bipod from the packaging.
- Check for any missing parts or damage.

2. Mounting the Bipod:

- Choose the appropriate mounting option (Picatinny or ARCA/RRS dovetail).
- Align the bipod mount with the corresponding rail on your firearm.
- Secure the bipod using the quick release push button or the quick adjust mechanism.

3. Adjusting the Legs:

- To adjust the height, press the adjustment button and extend or retract the legs to the desired length.
- Ensure that both legs are set to the same height for stability.

4. Setting the Cant and Pan:

- Adjust the cant by turning the tension adjustment knob to achieve the desired angle.
- For panning, ensure the pan feature is unlocked and adjust as needed.

5. Using the Barricade Stop:

- When shooting from a barricade or other support, engage the builtin barricade stop for added

stability.

6. PostUse Care:

- After use, retract the legs and store the bipod in a protective case or bag.
- Clean the bipod to remove any dirt or debris.

Disposal Instructions

- When disposing of the bipod, follow local regulations regarding the disposal of aluminum and other materials.
- Consider recycling the bipod where possible to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the MDT CKYEPOD Gen2 Bipod, please refer to the manufacturer's website or contact your local authorized dealer for assistance.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the MDT CKYEPOD Gen2 Bipod!
