

Shepherd's Hook Steel Target Hanger

[Shooting Accessories](#) > [Targets & Accessories](#) > [Steel Targets](#)

Caldwell's Shepherd's Hook Target Hangers are a quick and easy target hanging solution for any range. A nylon reinforced rubber strap means these hangers won't fatigue with extended shooting like traditional wire shepherd's hooks. This extremely durable stand comes in at 45" tall and can hold up to a 16 lb steel target (equivalent to our 13" AR500 Octagon target). Upgrade your range with a Caldwell Shepherd's Hook!

Caldwell Shepherd's Hook Steel Target Hanger

Safety Instructions

Introduction

Thank you for choosing the Caldwell Shepherd's Hook Steel Target Hanger. This product is designed to provide a quick and easy solution for hanging targets at your shooting range. To ensure safe and effective use of this product, please read and follow the safety instructions and guidelines outlined in this document.

General Safety Guidelines

- Always ensure that the target hanger is securely attached before use.
- Inspect the target hanger for any damage or wear before each use.
- Use the target hanger only for its intended purpose: hanging steel targets.
- Keep the area around the target hanger clear of obstructions and bystanders during use.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that all users are familiar with safe shooting practices.

Specific Safety Precautions for Use

- Do not exceed the maximum weight limit of 16 lbs for the target hanger.
- Avoid using the target hanger in adverse weather conditions (e.g., high winds, rain) that may affect stability.
- Ensure that the target is made of suitable materials (e.g., AR500 steel) to prevent ricochets and ensure safe shooting.
- Do not modify the target hanger in any way, as this may compromise its safety and functionality.
- Keep children and pets at a safe distance from the shooting area.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable location at your shooting range that is level and free from obstructions.
- Unpack the target hanger and check all parts for completeness.
- Attach the nylon reinforced rubber strap securely around the target you wish to hang.
- Hang the target from the shepherd's hook, ensuring it is properly secured.

2. Usage:

- Before shooting, ensure that all safety precautions are in place and that the area is clear.
- Always shoot from a safe distance, following local regulations and guidelines.
- After use, carefully remove the target from the hanger and store it properly.

Disposal Instructions

- Dispose of the Caldwell Shepherd's Hook Steel Target Hanger in accordance with local regulations.
- If the product is damaged beyond repair, recycle materials where possible, particularly metal components.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please reach out to the manufacturer or retailer from which

you purchased the Caldwell Shepherd's Hook Steel Target Hanger. Ensure you have the product details available for reference.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Caldwell Shepherd's Hook Steel Target Hanger. Always prioritize safety and responsible shooting practices.
