Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Special - Left - No bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010027
- Mfr. No.: R7L-SBB-13-TNC
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000307

Safety Instruction Guide for TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE

Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE trigger. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure safe use of the trigger by adhering to all safety instructions.
- The product is designed for use with Remington 700 model rifles only. Using it with other models may pose safety risks.
- Always treat firearms with respect and assume they are loaded until verified otherwise.
- Store the trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage. Do not use if damaged.
- In case of any malfunction or abnormal operation, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Ensure the firearm is pointed in a safe direction when installing or adjusting the trigger.
- Do not modify the trigger or any internal components, as this may compromise safety and performance.
- Be cautious of environmental conditions that may affect the trigger's performance, such as extreme temperatures or moisture.
- Keep hands and fingers clear of the trigger mechanism during installation and operation.
- Follow all local laws and regulations regarding firearm modifications and usage.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly following the manufacturer's guidelines for your Remington 700 model.
- Carefully install the TRIGGERTECH REM700 SPECIAL trigger by following these steps:
 - Align the trigger with the trigger housing.
 - Secure the trigger using the provided screws, ensuring they are tightened to the manufacturer's specifications.
 - Verify that the trigger operates smoothly without any binding or obstruction.

2. Usage:

- Familiarize yourself with the trigger's operation before firing.
- Practice dry firing in a safe environment to understand the trigger's feel and break.
- When ready to fire, ensure the firearm is aimed safely and that your finger is outside the trigger guard until you are prepared to shoot.
- After firing, always check the trigger's performance and functionality before subsequent use.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Check for local recycling or hazardous waste disposal programs.
- Ensure that the trigger is rendered inoperable before disposal.

Contact Information for Further Support

For any questions regarding the TRIGGERTECH REM700 SPECIAL trigger or safety concerns, please consult the product packaging for the manufacturer's contact details or visit the manufacturer's website.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and enjoyable experience with your TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE trigger. Stay informed and always prioritize safety when using firearms. Thank you for your attention to these important safety instructions.
