Description

The Rem 700 Primary is the ideal upgrade to improve accuracy and precision on any Remington 700 model rifle. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Primary - Left - Bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010058
- Mfr. No.: R7L-SBB-14-TBC

TRIGGERTECH REM700 PRIMARY LEFT BOLT RELEASE TRIGGER Safety Instruction Guide

Introduction

Thank you for choosing the TRIGGERTECH REM700 PRIMARY LEFT BOLT RELEASE TRIGGER. This guide provides essential safety instructions to ensure the safe and effective use of your trigger. Please read this manual thoroughly before installation and usage to understand the safety precautions and operational guidelines.

General Safety Guidelines

- Ensure that your firearm is unloaded and pointed in a safe direction before handling or installing the trigger.
- Always wear appropriate eye and ear protection when using a firearm.
- Store the trigger and any firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the TRIGGERTECH REM700 PRIMARY trigger with compatible Remington 700 model rifles.
- Do not attempt to modify or alter the trigger in any way, as this may compromise safety and performance.
- Ensure that the trigger is installed properly according to the installation instructions provided.
- Be aware that the trigger may feel lighter than traditional frictionbased triggers; always practice safe handling.
- If you experience any malfunction or irregular performance, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. Preparation

- Ensure the firearm is unloaded and in a safe condition.
- Gather necessary tools for installation (screwdriver, torque wrench, etc.).

2. Remove the Old Trigger

- Disassemble the firearm according to the manufacturer's instructions.
- Carefully remove the existing trigger assembly.

3. Install the TRIGGERTECH REM700 PRIMARY Trigger

- Align the new trigger with the mounting points in the receiver.
- Secure the trigger using the appropriate screws and torque to the manufacturer's specifications.
- Ensure all components are properly seated and there is no interference with the bolt.

4. Function Check

- Before reassembling the firearm, perform a function check of the trigger.
- Ensure the trigger operates smoothly and the safety functions correctly.

5. Reassemble the Firearm

- Carefully reassemble the firearm following the manufacturer's instructions.
- Conduct a final safety check to ensure the firearm is in a safe condition.

Usage Instructions

- Always follow the basic rules of firearm safety:
 - Treat every firearm as if it is loaded.
 - Never point the firearm at anything you do not intend to shoot.
 - Keep your finger off the trigger until ready to shoot.
 - Be sure of your target and what is beyond it.
- Use the trigger in a safe environment, ensuring that you are practicing in a controlled area.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRIGGERTECH REM700 PRIMARY trigger, or for safety inquiries, please contact your local authorized dealer or refer to the official TRIGGERTECH website for support resources.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the TRIGGERTECH REM700 PRIMARY LEFT BOLT RELEASE TRIGGER.
