MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. TRU-DOT® models offer a handgun sighting system for improved rapid instinctive aiming which requires no transition from day to night use. Day and night, the shooter's aiming reference is three solid dots, identical in appearance and location under all light conditions. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels. Meprolight® leads the world in OEM and after-market self-illuminated sights for handguns. Designed to replace the existing front and rear sights, the highly visible Tru-Dot® sights are perfect for daylight, low-light, and nighttime conditions. Meprolight® is Responding to users needs, our TRU-DOT® models are available in various tritium dots color on the rear sight : Green, Yellow, Orange (Yellow or Orange for selected models only) and green tritium dot on the front sight .

Tru Dot FIXED PISTOL SET S&W 1911 FULL SIZE NOVAK CUT G/G Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED PISTOL SET for your Smith & Wesson 1911. This product is designed to enhance your shooting experience by providing selfilluminated night sights. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the Tru Dot sights.
- Always treat your firearm as if it is loaded, even when you believe it to be empty.
- Use the Tru Dot sights only on compatible firearms as specified by the manufacturer.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure proper alignment of the sights before use to avoid misalignment during shooting.
- Avoid using the sights in extreme weather conditions that may impair visibility.
- Do not attempt to modify or disassemble the Tru Dot sights.
- Ensure that the sights are securely mounted to prevent loosening during use.
- Use appropriate eye and ear protection while shooting.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front and rear sights from the firearm using appropriate tools.
- Align the Tru Dot sights with the mounting points on the firearm.
- Securely attach the sights using the provided screws, ensuring they are tightened appropriately.
- Check the alignment of the sights before use.

2. Usage

- Familiarize yourself with the sighting system by practicing in a controlled environment.
- Use the three solid dots as your aiming reference during both day and night conditions.
- Adjust your shooting technique as needed based on visibility and environmental conditions.
- Regularly practice shooting with the Tru Dot sights to maintain proficiency.

Disposal Instructions

- Dispose of the Tru Dot sights in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, contact the appropriate waste management service for guidance.

Contact Information for Further Support

For any inquiries regarding the Tru Dot FIXED PISTOL SET or safety concerns, please refer to the manufacturer's website or customer service resources.

Thank you for following these safety instructions and for your commitment to safe firearm practices. Enjoy your shooting experience with the Tru Dot sights.
