

# HYPER BRIGHT FIXED PISTOL SET CZ SHADOW - HYPER BRIGHT FIXED PISTOL FRONT CZ SHADOW 2 O RING

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

A total eclipse of conventional brightness. It's the world's brightest handgun sight in any light, with tritium specially formulated to give you industry-first brilliance from broad daylight to midnight. These self-illuminated, fixed tritium sights feature an extremely bright colored ring front sight in your choice of green, yellow, or orange, delivering supreme visibility as a night sight or day-night sight. Contrasting front and rear sight colors help shooters focus on the front sight quicker for faster target acquisition in all lighting conditions. Because you can't predict when everything will depend on your sight's visibility, you can count on Hyper-Bright™. Every time. HYPER-BRIGHT CONCEPT: The MEPRO Hyper-Bright™ fixed Day and Night Sights offer the most reliable illumination for day or night. Mepro Hyper-Bright™ fixed sights feature an extremely bright fluorescent contrast colored ring in green or orange for fast target acquisition in the daytime. The yellow ring option is the sole option with phosphorescent paint that charges with light and glows in lowlight conditions for a short time in conjunction with the tritium. As a result, both rear and front tritium sources appear green in lowlight and nighttime. ALWAYS ON: Premium grade green Swiss-made Tritium vials in the front and rear sights allow for low light and nighttime conditions. The U-notch shape on the rear naturally directs your eyes to the top of the Front sight. No batteries, no switches - always on, always ready 24/7 for 12 years. Maintenance-free can be mounted directly with no modifications. Direct factory replacement, recommend replacing as a set. HIGH DURABILITY: The MEPRO HYPER-BRIGHT™ are drop- and shockproof, built for endless rounds under heavy recoil, and made of steel. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure. In addition, these sights are reliable in any weather conditions.

# Safety Instruction Guide for HYPER BRIGHT FIXED PISTOL SET CZ SHADOW

## Introduction

Thank you for choosing the HYPER BRIGHT FIXED PISTOL SET CZ SHADOW. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully to understand how to use and maintain your sights effectively and safely.

## General Safety Guidelines

- Always handle your firearm and its accessories with care and respect.
- Ensure that your firearm is unloaded when installing or adjusting sights.
- Only use the product as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage to the sights.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Contact:** Do not look directly into the tritium vials. They are designed for aiming purposes only.
- **Environmental Conditions:** The sights are built to be reliable in various weather conditions. However, avoid extreme temperatures or environments that may compromise their integrity.
- **Proper Installation:** Ensure the sights are installed correctly to avoid misalignment that could lead to inaccurate shooting.
- **Regular Maintenance:** Although the sights are maintenance-free, inspect them periodically to ensure they are functioning as intended.

## Instructions for Installation and Usage

### Installation

1. **Tools Required:** Ensure you have the necessary tools for installation (screwdriver, etc.).
2. **Safety First:** Unload your firearm before beginning the installation process.
3. **Remove Old Sights:** Carefully remove any existing sights from your firearm.
4. **Install New Sights:**
  - Align the new sights with the mounting points.
  - Secure them in place using the appropriate screws.
  - Ensure that both front and rear sights are properly aligned.
5. **Check Alignment:** After installation, check the alignment of the sights to ensure correct aiming.

### Usage

- **Aiming:** Use the Unotch shape on the rear sight to direct your eyes to the top of the front sight for accurate aiming.
- **Day and Night Use:** The sights are designed for both day and night visibility. Ensure that you understand how to utilize the tritium features for optimal performance in lowlight conditions.
- **Target Acquisition:** Practice using the sights in various lighting conditions to become familiar with their performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods for tritium-containing products.

## **Contact Information for Further Support**

For any inquiries or support regarding the HYPER BRIGHT FIXED PISTOL SET CZ SHADOW, please reach out to your local distributor or the manufacturer's customer service department. Ensure that you have the product details ready for efficient assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the HYPER BRIGHT FIXED PISTOL SET CZ SHADOW!
