

# MEPRO FT BULLSEYE PISTOL REAR S&W M&P FULL SIZE - MEPRO FT BULLSEYE PISTOL REAR S&W M&P FULL SIZE/COMPACT/SUB COMP G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# MEPRO FT Bullseye Pistol Rear Sight Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO FT Bullseye Pistol Rear Sight. This guide provides important safety information and instructions for the proper use and maintenance of your sight. Please read this guide carefully to ensure safe and effective operation.

## General Safety Guidelines

- Ensure that the sight is installed correctly and securely before use.
- Always handle firearms with care and follow all applicable safety rules.
- Use the sight only for its intended purpose.
- Keep the sight away from children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- If the sight is damaged or malfunctions, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installing or adjusting the sight.
- Avoid using the sight in extreme conditions that may affect its performance, such as excessive moisture or extreme temperatures.
- Do not attempt to modify the sight in any way, as this may compromise its safety and effectiveness.
- Be aware of your surroundings and ensure a clear line of sight when aiming.
- Practice proper shooting techniques to enhance safety and accuracy.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Sight:** If applicable, carefully remove the existing rear sight using the appropriate tools.
3. **Position the New Sight:** Align the MEPRO FT Bullseye sight in the rear sight dovetail.
4. **Secure the Sight:** Use the provided screws to securely fasten the sight in place. Ensure it is tight but do not overtighten to avoid damage.
5. **Check Alignment:** Verify that the sight is properly aligned with the front sight for optimal accuracy.

### Usage Instructions

- **Aiming:** Use the central point of focus to align your target. The sight is designed to provide instinctive aiming.
- **Adjusting for Conditions:** The tritium fiber optic technology allows for visibility in low light. However, ensure that the sight is clean for optimal performance.
- **Practice:** Familiarize yourself with the sight by practicing in a safe environment before using it in more pressure-filled situations.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations for electronic waste.

- Do not dispose of the sight in regular household waste to prevent environmental harm.
- If the sight is damaged, consult local authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MEPRO FT Bullseye Pistol Rear Sight, please reach out to your local retailer or manufacturer. Ensure you have your product information available for reference.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your MEPRO FT Bullseye Pistol Rear Sight. Thank you for prioritizing safety and compliance with EU regulations.
