

# MEPRO FT BULLSEYE PISTOL REAR CZ - MEPRO FT BULLSEYE PISTOL REAR CZ 75/85/97/SP01 G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Runs on instinct. Runs at the speed of sight. The Mepro FT Bullseye™ sight is the fastest, brightest, and most intuitive tritium fiber optic sights we've ever built. This low-profile single-night-sight design is powered by fiber optics to master the day, while premium-grade tritium handles even the darkest blackout conditions. Aligning with a single central point of focus, the Mepro FT Bullseye™ has the feel of a red dot sight. These Meprolight® night sights are drop- and shockproof, built for endless rounds under heavy recoil, and make an excellent upgrade sight to pistols we service like Smith & Wesson, Springfield, IWI, Glock, and others. Its ultralight, snag-free design is easy to draw and gives you instinctive aiming under pressure.

# MEPRO FT BULLSEYE PISTOL REAR CZ Safety Instruction Guide

## Introduction

Thank you for choosing the Mepro FT Bullseye™ sight for your CZ pistol. This guide provides essential safety instructions to ensure the safe and effective use of your new sight. Please read this guide thoroughly before installation and usage.

## General Safety Guidelines

- Ensure that the sight is installed by a qualified gunsmith or experienced individual to avoid improper installation.
- Always handle firearms and accessories with care, following standard safety practices.
- Keep the sight and all firearms out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear. Do not use if damaged.
- Always ensure your firearm is unloaded before installing or adjusting the sight.

## Specific Safety Precautions for Use

- The Mepro FT Bullseye™ sight is designed for use with specific CZ pistol models (CZ 75/85/97/SP01 G). Ensure compatibility before installation.
- Do not attempt to modify the sight or firearm in any way that may affect performance or safety.
- Use only recommended ammunition types for your firearm to prevent malfunctions.
- Be aware of your surroundings and ensure a safe shooting environment when using your firearm.
- In case of any malfunction or unexpected behavior, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your firearm is unloaded.
- Remove the existing sight from your CZ pistol according to the manufacturer's instructions.
- Align the Mepro FT Bullseye™ sight with the mounting dovetail on your pistol.
- Secure the sight using the provided screws or hardware, ensuring it is tightly fitted.
- Check the alignment and adjust as necessary before use.

### 2. Usage

- Familiarize yourself with the sighting system in a safe environment before live firing.
- Practice aiming with the sight to develop instinctive aiming skills.
- Regularly clean the sight to maintain optimal visibility and performance.
- If using in lowlight conditions, ensure that the tritium is functioning correctly for maximum visibility.

## Disposal Instructions

- When the sight reaches the end of its useful life or is no longer needed, dispose of it in accordance with local regulations.
- Do not dispose of the sight in regular household waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the Mepro FT Bullseye™ sight, please consult the product's official website or contact the manufacturer directly for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Mepro FT Bullseye™ sight. Thank you for your attention to safety!
